I should have e're this Comply'd with your Order of Consultation of 26th. 8br. relating to the Expences on Ship Goodfellow at Bengal had I not been prevented by the indisposition of Captain Thomas Harry the Commander of said ship without whose assistance I could not possibly acquit myself herein and thô the Condition of his illness has been still such as has permitted him to be but little Serviceable to me I have however tak'n the best methods I am able to inform myself in these

matters and having Compar'd Captain Harry's Account Particulars with that sent You from Bengall I find the same do agree pretty exact in the materials Cooleys and Workmen Employ'd on said Ship and thô the sum totall of the Expence does appear to Your Honour &c^{t}. very Large as undoubtedly it is so Yet I cannot discover any Particular matter of Censure in any part of the same.

FRYDAY 22^{D}.

General Letter N^{o}. 11 from Fort S^{t}. David read advising the departure of the Europe Ships the 20th. They therein inclose copies of several Papers sent home in the Packett by the Aislabie and a List of their Sorting that day whereby it appears that little or nothing can be expected from them towards the dispatch of the Macclesfeild and add that the Deputy Governour hath a Parcel of blue Cloth which if it can be of any Service he is Willing to spare as it cost him.

Fort St. David General Letter read.

Some blue Cloth offer'd by y^{e}. Deputy Gov^{r}.

—*FORT ST. GEORGE, JANUARY 1724-25*—

the offer accepted. This proposall having been for sometime consider'd It was Unanimously agreed to accept of it for the following reasons.

reasons for it. First that there are little or no hopes of any further assistance from Fort S^{t}. David but by this means Since of the turn'd out Nagore and Warriopollam Cloth only two Bales out of fifty two could be sorted even to Ordinary N^{o}. 2 and therefore there is no likelyhood that the Ordinary should be fitt to be taken in.

Secondly that our Washers are now Employ'd here in Washing the Vizagapatam Cloth so that thô there is a parcel of brown Cloth in the Merchants Godowns yet it cannot be Wash'd & Sorted in time So that Wee have no Expectations of any more goods here.

Thirdly that it is our Opinion that thô by this means We shall send home more Blue Cloth than the List of Investment orders yet it is more for our Honble Masters interest to do so than to send the Ship dead freighted; besides that when the Merchants find we can Supply our selves from other Hands They will in all Probability endeavour to prevent our Continuing to do so by furnishing better goods and althô this may be Ordinary yet as it was bought for sale by the Deputy Governour and he is willing to Spare it at prime Cost it must be very cheap.

to write to Ft. St. David about ye. above proposal. AGREED therefore for the Several Reasons above to write immediately to Fort S^{t}. David to accept the Offer and Order them to send us as soon as possible what cloth they can provide white and to make up the two hundred Bales with blue or as near that Number as they can.

TO THE WORSFULL. NATHL. TURNER ESQR.

THE PETITION OF JOHN DE MORGAN

SHEWETH

That Your Petitioner having serv'd the Honble Company upwards of fourteen Years he is now desirous of lying down the Service in Order to return to England. Wherefore he begs you will be pleas'd to forward this to the Honble President and Councill of Fort St. George and hopes he shall Obtain so much favour from them as to be permitted to reside here or at Ft. St. George till he can gett himself in a Readiness for his homeward bound Passage for which he shall as in Duty bound Ever Pray.

TO THE HONOURABLE JAMES MACRAE ESQR.
PRESIDENT & GOVERNOUR &CT. COUNCILL OF FORT ST. GEORGE.

HONBLE. SR. &CT.

Before we would propose any method to You for charging Custom on the Cloth brought in for the Company we thought it Convenient to send for the Merchts. to know what they could Object against it but We did not think there was much weight in any thing they Urg'd except what they Suffer by the Quantity of Cloth that may be torn by the Washers which might be sav'd to them if we took the same Method that is propos'd by the Warehousekeeper at Fort St. David namely to Charge no Custom but upon the turn'd out Cloth before it be deliver'd out of the Warehouses but because that method is Subject to some abuses as we cannot be sure all the Cloth that is imported brown is deliver'd to the Washers and all that is deliver'd to the Washers brot. into the Warehouse. We are rather of Opinion the best method will be

That five ℔ Cent be Charg'd on all the Cloth that shall be found the last of January either in their own Warehouses or the Comps. or at the Washers.

That after the said last Januã. Custom be Charg'd as it comes into the Bounds Two & a half ℔ Ct. at the Choultry and five ℔ Cent at the Seagate & that the Sea and Land Customer do give them Certificates of their having paid it.

That as any of the Cloth is Embaled for the Company it be Endors'd off the several Certificates and the Sea & Land Customer do repay them the Custom before paid on the same.

Wee Submitt the whole to Your Determination and are,

Honble. Sr. &ct.

Being Appointed to Examine the Vizagapatam and Ingeram Cloth and the Charges of those two Settlements we Carefully perus'd the several Invoices Receiv'd thence and find the Cost of the Cloth from both to be near the same if any thing the Vizagapatam is Rather more besides an Exceeding Charge of Eighteen fanams a bale freight what further adds to the Charge thô it be not mention'd in the Invoice are Several Peons that are sent into the Country & Charged in the Paymasters Accounts that would otherwise be needless. We presume it was not Your Intention we Should reckon the Charges of the Settlements into the Cost of the Cloth because by such a Statement the prices wou'd bear no Proportion. Being oblig'd to cure the Vizagapatam Cloth here it is of much less use to us than the Ingerum Cloth which for the most part We receivd. Ready whitned, For whenever our Merchants bring in Cloth agreeable to their Contracts our Washers have as much Work as they can well perform. We have not as Yet had an Opportunity to Compare which Settlement Returns the best Cloth because that from Vizagapatam is not yet come in from the Washers; when it is all in the Warehouse We Should rather Your Honour &ct. would be judges of it as well as our Serlves. The Musters of the blue Cloth from Fort S^{t}. David by the Ramah and Jane being laid before the board and examin'd it was unanimously Agreed that it is not for the interest of our Honble Masters to take the parcel because thô it is very cheap yet the Sortment is so vastly inferiour to any that is sent home, that there is no probability of its meeting with a vent in England, wherefore Resolved that it be Return'd to M^{r}. The Brown Cloth brôt in by our own Merchants to be sorted.

Being thus disappointed of the Supply We hop'd to have from Fort S^{t}. David it was resolv'd to sort the brown Cloth lately bro^{t}. in by the Merchants to see if we can pick out any bales of that fitt to send home that so if possible the Macclesfeild may have her whole Tonnage.

The said Richard Benyon declares that he sent a Copy of his Copy of the Will to England from whence a Copy has been return'd him again which upon Examination is found to be materially the same as the Copy he receiv'd from M^r. Curgenven. The said Richard Benyon does further produce another Copy of the Will which he received from Bombay since the Copy which he receiv'd from M^r. Curgenven which does also agree materially with the other Copys to the Copy Receiv'd from Bombay is added by way of Probat as follows.

Upon hav^{g}. view'd the brown Cloth in y^{e}. godowns & find^{g}. but one bale out of 75 fit for the Company it was resolved not to take any further trouble about it &

the Fort S^{t}. David blue Cloth proving better than y^{e}. first muster & also y^{e}. parcel being just sufficient to fill the Macclesfield it was accepted.

Having been Yesterday the day before and this morning constantly in this Godown to inspect and Examine the brown Cloth lately bro^{t}. in by our Merchants and having Overhaul'd no less than seventy five bales of Long Cloth and Salempores out of which no more Could be taken in than one Bale It was Agreed that it is needless to take any further trouble to fill the Macclesfeild but the Captain telling us he shall not want so many bales as was believ'd he would And the Fort S^{t}. David Cloth by the Francis being come ashore among which were eight bales of blue which were recommended as being of an Extraordinary good dye they were open'd and view'd And it was Unanimously Agreed that they are vastly better than what We look'd at in the Consultation room the other day. Whereupon it was Agreed to inspect the two former Parcels which was done and We found there was not much of it like what we the other day refused but that on the Contrary the most part was extreamly good considering the Price And this Parcel being just Sufficient for the Macclesfeild It was Resolv'd to accept of the whole because that should it produce no more than the prime Cost and freight yet it would be so much gain'd to our Honble Masters who would otherwise be Oblig'd to pay dead Freight for so much as is now Supplied by this Parcel. However the Conicoply was Order'd to lay the two Bales out of which the bad musters were taken the other day aside that so if the Ship would not take it all in they might be Left.

At the same time He reported his having paid Mr. Wendy One hundred and Seventeen Pagodas and ten fanams for so much which Mr. Hastings furnish'd for the Bombay Souldiers brot. hither Ship Shandos but omitted to charge in the Cash Account.

Debate about ye. penalty to be levied on the Company's Merchts.

The President then told the Board that they had in several former Consultations talk'd of the Penalty to be Exacted of the Companys Merchants for the breach of their Contracts here and at Fort St. David and had likewise wrote about it to the Honble Court of Directors and that as the Macclesfeild was now upon her Departure He thought it necessary to come to a Determination about that affair in order to give an Account thereof to the Company by this Ship Which being the Opinion of the whole Board Likewise The Merchants were order'd to be call'd in; but before they came It was propounded and AGREED That if the Merchants would take off the Broad Cloth now on hand and enter into a new Contract for such a number of bales as Should be judg'd necessary for the Year ensuing It would be a great Service to the Company and Should be consider'd in what we are to resolve about the penalty.

The take. off ye. Broadcloth to be considered as a service & ye. enterg. upon a new contract.

Four thousand bales to be contracted for.

Considering what quantity of bales would be absolutely necessary for the next Shipping It was AGREED That the utmost Quantity we can depend upon from the Northward and Bengal will be one thousand Bales and that We cannot possibly have a Sufficient Supply for our Ships under four thousand bales here and at Fort St. David.

Merchts. called in & the mischeifs attends. their breach of Contract enumerated & the above 2 services proposed to them as alleviations and inducemts. to us to be easy about the penalty.

The Merchants were then call'd in and told by the President from the board That upon Comparing the terms of their Contracts and the Accounts how far they were Comply'd with we found they had incurr'd a penalty of ninety thousand Pagodas That besides the disappointment of this Years Shipping the Cloth they had for some time past provided had been so bad that the Company had Suffer'd very great Damage in Europe in the reputation of their sales and that the Penalty would by no means compensate for the same were the whole exacted. However that we were inclin'd to be easy with them upon their Agreeing to some Certain conditions to be propounded to them One was the taking the Broad Cloth now on hand at the usuall advance of thirty ℔ Cent and the other their entering into a new Contract for four thousand Bales both which they refused; but after some time Spent in debating with them They Offer'd to Accept the Broad Cloth and provide fifteen hundred bales which they said were all they could Agree for. However after argueing with them and debating for upwards of three hours they at last consented to a Contract for four thousand bales to be provided fifteen hundred here and twenty five hundred at Fort St. David and of that twenty five hundred bales to be provided at the two Places by the beginning of September and the remainder by the month of January ready cured.

Their proposals & agreements.

In consideration whereof

In Consideration of their Compliance with these two Articles and that the Honble Court of Directors have not been Sufferers by having any of their Ships detain'd on Account of the breach of the last Contracts as likewise that We are to deal with the same people this Year And further that they give us very hearty assurances of Serving us faithfully and Chearfully for the future it is

only one third of ye. penalty to be levyed being 30000 Pgs.

AGREED that we will remitt them two thirds of the Penalty incurr'd and that they do pay only thirty thousand pagodas which We Doubt not will be sufficient to deterr them from any more such vile practises as they have of late been Guilty of.

—*FORT ST. GEORGE, FEBRUARY 1724-25*—

AGREED further that as the Fort S^{t}. David Merchants take no part of the broad Cloth which will therefore lie very heavy on our merchants that this be Consider'd as ten thousand pagodas more and that therefore the penalty to be paid on the Madrass Contract shall be no more than Eight thousand Pagodas and that the remaining two and twenty thousand be Levy'd on the three Setts of Fort S^{t}. David Merchants.

What part y^{e}. Fort S^{t}. David Merch^{ts}. shall pay of y^{e}. penalty & why.

ORDER'D that a new Contract be drawn out on the above terms against next Consultation.

New Contract to be drawn out.

RESOLV'D that if the Merchants go from this agreement We have and do Reserve to ourselves a Power of Levying the whole Penalty on them notwithstanding the above abatement.

TO THE HON^{BLE}. JAMES MACRAE ESQ^{R}.

HON^{BLE}. S^{R}. &C^{T}.

When I was order'd in December last to lay before the Board an Account of what was actually due from the Companys Merchants I took care to have their several Accounts exactly stated. Your Honour &c^{t}. are well acquainted that it is an express Condition in their Contract that the money is to be advanced them when the Cloth is in their Godowns ' twas therefore I thought it then needless to trouble You with the Account of Sunca Rama & Ball Chitty & the Accounts of Gongeram & Tomby Chitty because on the first Acco^{t}. there was not quite 6000 Pag^{s}. due from the Merchants which they assured me would be in their Godowns in Brown Cloth before I could lay the Account before the Board and on the latter Account there was upwards of 14000 pagodas due to the Merchants & had the Cloth when it came to be sorted been equall to Muster the several accots would have been clear'd and a Ballance to have been paid the Merchants for this reason I only laid before You the Account of what was due from Sunca Rama and Tomby Chitty jointly the Ballance of which is now reduced to Pag^{s}. 15310. 3. 75. Your Hon^{r}. &c^{t}. having thought fitt to declare all Former Contracts Void and the Major part of the Cloth which they brought in to be Sorted being turn'd out as not equall to Muster and for the rest which is at the Washers, Beaters and brown in their Godowns as it cannot be taken in at all but upon the new Contract there remains a Ballance due from Sunca Rama & Ball Chitty of Pagodas 35304. 34. 61 and from Gongeram & Tomby Chitty 10084. 35. 43 and is Certainly payable on Demand whenever Your Honour &c^{t}. shall think fitt to make it. Now touching the ballance due from Sunca Rama and Tomby Chitty Amounting to Pagodas 15310. 3. 75 they will I believe request of you to suspend the Demand for that a few days till they see the issue of a treaty they are now engaged in with Sunca Rama & Ball Chitty & Gongeram and Tomby Chitty for the Cloth that remaind at the Washers, Beaters & Brown in their Godowns which if it be equall to muster and they can agree for it will effectually clear the Ballance due from them. JOHN EMMERSON. RANDAL FOWKE.

JAMES HUBBARD. GEORGE DRAKE.

JOSEPH HOUGHTON.

The Secretary acquaints the Board that he has receiv'd the Ballance of Gongaram & Tomby Chittys debt to the Company and that Sunca Ramah and Ball Chitty have paid Eleven thousand pagodas more on account of their Debt. Gongaram & Tomby Chitty pay their ball^s^. & Sunca Ramah and Baal Chitty pay 11000 p^s^.

The President reads the Account of the Honourable Companys Cash for last month ballance remaining fifty six thousand and seventeen pagodas three fanams and eighteen Cash. Cash acc^t^. read.

General Letter N^o^. 35 from the Cheif and Councill of Vizagapatam read dated the 10^th^. Feb. last inclosing invoice & Bill of Lading for one hundred and three bales of Callicoes on Board the Jenny Galley advising the receipt of the treasure ℔ Ship Jane and assuring us of seven hundred bales by the latter end of August. General Letter from Vizagapatam.

The Paymaster delivers in a report of the Godowns which he was order'd the 26^th^. Ult^o^. to Survey which report is enter'd hereafter and he is order'd to set about the repairing of them. Rep^t^. of some godowns dd. in & they order'd to be repaired.

Mess^rs^. Pitt, Benyon and Emmerson deliver in a report of the Coinage together with an Account of the Charges & Customs Collected at our Mint & those in the Country as likewise an Account of the Produce of a hundred Ounces Silver of the fineness of the rupee in our and S^t^. Thomé mints as also of the Produce of it when sold in Bulli[on]. Report about the Coinage w^ch^. is debated & Resolved that

This matter being fully debated it was upon t[he] whole Agreed that no Silver Except Rupees shall be permitted to be exported to any part of the Coast of Choramandell under penalty of Confiscation half to the informer and half to the Company and that the Secretary do give notice hereof at all the Publick places in the Town. No silver to be carried [o]ut except rupees & that

As by the Calculates and reports abovemention'd it appears that our rupee is two ℔ Cent dearer to the Merchants than the S^t^. Thomé and Arcott rupee. It was further argued that we ought to find out some method to Lessen the Charge of Coinage that so we may bring it nearer to a parr with the Country coin and it appearing that the Braminees are actually indisburse 11¼ ℔ mille and that they must have something y^e^. charge of coinage be reduced.

——FORT ST. GEORGE, MARCH 1724-25——

besides for their trouble it was plain their Custom could not be reduced above a half ℔ Cent which not being Sufficient it was Agreed to srike off a half ℔ Cent likewise from the Custom paid the Company which it is hoped will be approved by the Hoñble Court of Directors for the following reasons.

Reasons for so doing.

First that the Present Charge of Coinage being 4 ℔ Cent in our Mint and but 21 ℔ mille in the S^{t}. Thomé nobody will bring any silver to us but on the Contrary carry it away thither but that when our Custom is reduced to three ℔ Cent the difference will be so much less that probably we may have the greatest part of the Coinage return to us especially since our Rupee is in greater Esteem in the Country than theirs.

Do.

Secondly that we shall receive orders from Europe in two Years and if our Honourable Masters shall disaprove hereof Which we can't believe they will it may be laid on again.

Do.

Thirdly at Present the revenue is sunk to almost nothing so that should no more silver be coin'd here than has been for sometime past the difference will be very inconsiderable whereas should We hereby regain the Coinage it will be very apparently advantageous to the Company.

D^{o}.

Lastly that the Company will save $\frac{1}{2}$ ℔ Cent in the Coinage of their own silver which as we coin $\frac{1}{3}$^{d}. generally of what goes down to the Bay will very near if not over Compensate for the reduction of the Custom on other silver.

[Pr]es^{t}. desired to [talk] y^{e}. matter wth. [Mi]nters.

These being the Causes why it is thought necessary to lessen the Charge of the Coinage it was recommended to the President to talk with the Mint Braminees & bring them to an Agreement for lowering the Charge agreeable to the above resolve which he Accordingly promis'd.

The Great Godown at the Sea Gate seem only to want some method to preserve the Goods from the whi[te] Ants and the only way which I have found by Experience is [to] take up the Pavement and Dig up about One foot and a half or two foot of the Clay and fill it up again with fresh sand [too] which they Build with or sand from the Washing Town.

The Godowns upon the Island are only Sheds and are at Present in use by the Storekeeper. I don't fi[nd] they want any repairs except paving or some small ma[tting]. I am

FORT Sr. GEORGE — Your Obedient humble Servant

MARCH 8TH. 1724/5. — RANDAL FOWKE.

TO THE HOÑBLE JAMES MACRAE ESQR.

PRESIDENT & GOVERNR. &Cr. COUNCIL OF FORT Sr. GEORGE.

HOÑBLE Sr. &cRA.

In Obedience to your Order we have endeavour'd to inform our selves whether it will be most for the Interest of our Honble Masters to prevent the Coinage of Silver into Arcot Rupees or to suffer the Merchants to coin it as has of late been Customary in such of the Mints as they thought Proper; but notwithstanding our best endeavours We have found it so nice & Intricate an affair that We are not able to give You so Exact a light into it as We could wish.

Annex'd hereto we give You the best account we could get of the Charges of Coinage in the Madrass and St. Thomé mints & the Produce of 100 ozs. of silver in Each from which You will observe that the said 100 ozs. of Silver produces Nine Rupees & seven annaes more in the St. Thomé Mint than the Madrass mint which difference has occasion'd a Queeree among us whether by its producing so many more rupees in St. Thomé Mint than the Madrass the Merchants do not really give more for the silver & the rather because we are inform'd they have in many Places in Bengal obtain'd the Arcott rupee to have equall Creditt with the Madrass of which thô we cannot be Certain yet the great Quantities of the Former that are Exported thither give great reason to believe it & therefore thô the Company lose two ℔ cent Coinage by its going into St. Thomé Mint whether they are not gainers more than that by the Merchants giving a higher Price for the Silver for 100 Pags. of Silver at 15 Dollars for 10 Pagodas produces in the Madrass mint 315 Rupees with 10 ℔ cent Batta is 346½ Current It produces 331 in St. Thomé Mint with only

R. a. p.

7 ℔ Cent Batta is 354. 2. 8 Current. Now it may be argued that the Silver being Coin'd into one Rupee or Another does not at all influence the Price so much as the Quantity of Silver that is Imported more or less, for thô the Merchant gets more by it's being Coin'd into the Arcott rupee Yet his Demand for Silver being always the same he will be under the necessity to take the same weight of Silver for his Gold thô it does not produce him the same Number of rupees. We submit the whole to Your Consideration & are

Having carefully examin'd the West Coast Accounts We find little or nothing different from the Settlement made by the Supr. Vizor except in the articles of materials for Building & Account Cooly hire which amounts to near 700 Dollars ℔ mensem instead of 400 ; but the Exceeded sum is accounted for by the Buildings not being intirely finished. The Charges Slaves amounts in the five months to 160 Dollars ℔ mensem more than the Stated Charge ; but of that 363 is Charged for Cloathing in the month of August. We have receiv'd none of the Moco Moco Accounts So can say nothing about the Charge there. We are

THE PETITION OF HENRY ROSS

HUMBLY SHEWETH

That your Petitioner and his Predecessors in Office were allow'd 3 Pags. 12 fanams ℔ month and the Priviledge of the General Table the Military having always paid 2½ pags. for their Diet in the Hospitall untill Governour Collet reduced it to two pagodas for the good of the men And in Consideration of that was pleas'd to order as I had been formerly a Serjeant I should be enroll'd & receive Pay as such. But in the late reductions of the Expences of this Garrison both the General table and Serjeants pay were Struck off. Whereby your Petitioner is reduced to so very small allowance that it does not afford him bread. He is therefore under a necessity of representing his case to Your Honourable Board Most humbly praying Your Honour &ct. would be pleas'd to take it to Consideration and grant him such Augmentation of his Pay as may enable him to live.

And Your Petitioner as in Duty bound

SHALL EVER PRAY.

TO THE HONBLE JAMES MACRAE ESQR.
PRESIDENT & GOVERNOUR OF FORT ST. GEORGE &CT.

THE HUMBLE PETITION OF MARIA POIS WIDDOW

SHEWETH

That a few Years after the Honble Companys Settlement here a great many inhabitants and your Petitioners Grandfather planted Gardens without any title thereto from the then President and Council, some of their Posterity have sold this Ground & Gardens as their own some part to the Inhabitants to build on and some Still enjoy it themselves. Several have also since his Honour Harrisons time planted

—*FORT ST. GEORGE, MARCH 1725*—

Gardens without any title and enjoy them as their own. But your Petitioners Grand father believing it Proper to have a Title to his Garden and having then an Interest with the Honble the President Council and Gentlemen in the Place was promis'd but in the Interim Deceas'd and his Son his Successor being soft and illiterate lost his Fathers interest but got a Cowle from the Honble the President and Council for thirty one Years Contrary to his Fathers request or desire and if he had not troubled the Honble President and Council for a Cowle might have enjoy'd it as the rest him and his heirs for ever. All this Your Petitioner was unacquainted with till the time was expired. Your poor Petitioner having built a house planted trees and brought the Garden to a vast perfection this Your petitioner laid before the then President how simply these of the Deceas'd manag'd it to insist on a Cowle but for thirty one Years when the rest have ever since enjoy'd the same as their own and Heirs for ever.

Now the Honble President and Council compassionately took this Your Petitioners case into Consideration and rented said house and Garden to Your Petitioner it being extreamly hard after havg built the House and brought the Garden to perfection to loose all, your Petitioner having no Other Subsistence. The Garden Your Petitioner has rented of the Honourable Company ever since the expiration of the Cowle.

Your Petitioner is now inform'd that said House and Garden is to be put up at Outcry to rent. If so it is an immediate ruin to Your Poor Petitioner it being Your petitioner's only Subsistance. She having no habitation or place of abode most humbly begs your Honour will out of your Abundant Clemency and Goodness look upon this Your Petitioners case with Compassion and suffer her to rent said house and Garden as usual as she answers yearly the Income of the Garden to the Honble Company; if not Your Petitioner will be reduced to extream want and misery. Therefore humbly begs Your Honour will Continue Your poor Petitionr. to rent said house and Garden and as in Duty bound shall ever pray.

General letter from the Deputy Governour and Council of Fort St. David No. 47 Read bearing date the 20th. instant wherein they give Ensign Parry the Character of being frequently Drunk & very disorderly when in that Condition and Advise that they design to sort as soon as Sunca Ramahs Cloth is cured.

General Letter from Ft. St. David read.

Ensign Parry having so ill a Character AGREED that he be broke and that Mr. Hairstenes who came out on the Monmouth have an Ensigns Commission given him for Fort St. David Who has behaved himself all along very well and bears a good Character.

Ensign Parry broke.

Several Persons having mistaken the Order at the Seagate relating to the non-exporting of silver AGREED that the said Order be explain'd and that the design thereof is not to Prevent rupees of any kind being carried out of the Place but only such silver as is not Coin'd in this Country.

Order about ye. silver explain'd.

Mexico Silver having in the Year 1716 been upon an Essay then made fix'd at 2 dwt. worse than Standard which hath been often Complain'd of by our Honble Masters as an imposition since they are in Europe reckon'd equall to our Standard The President acquaints the Board that he has endeavour'd to bring the Mint Braminees to receive them for the future as such but has not yet been able to do it Whereupon He had Order'd the Essay Master to attend the Board this morning.

[Es]says to be made of Mexo. Silver in order to fix ye. standard of it.

Mr. English being Accordingly call'd in after some discourse with him was ORDER'D to make several Assays of Mexico Dollars with the greatest exactness and as soon as Possible to deliver them to the Board for a further examination of this affair.

[. . .]

The Mint Braminees having formerly had lead at seven Pagodas ℔ Candy which is now at twenty by which means their Charge of Refining silver is very much increas'd insomuch that they cannot do it without Loss and their Custom being reduced on the Coinage which might otherwise make up for it It was AGREED that they be indulged in this Particular and that they have their Lead at ten pagodas ℔ Candy which is the more readily Agreed because the Occasion of the dearness of this Commodity which used to be about 12 Pags. will probably Cease on the Arrival of our Europe Ships.

Lead allow'd ye. Mint braminees at ten pagods. ℔ Candy.

The Board then Proceeded upon the Examination of the Appeals mention'd last Consultation day but deferr'd till now and having examin'd the Court proceedings and all the other Papers relating to Nicholas Dela Cloche's appeal It was AGREED that the said Dela Cloche is justly indebted to EstraGree in the sum of two hundred and forty Pagodas and that he be obliged to pay the same with all the Charges but the Bill for that mony which the said Dela Cloche drew having been refused payment twelve months ago by order of the said Dela Cloche thô he Confesses he drew the same RESOLVED that he pay Interest thereon for one Year.

[Appeal of Nicholas [De]la Cloche consid[d]. and ord[d]. that he be obliged to pay ye. money awarded by ye. Court and interest.

The appeal between Paupiah & Servannah was then examin'd and the Proceedings of Court and other Papers read by which it appear'd very plain that the said Paupiah did give Servannah a bond for three hundred pagodas but he insisting that it was by Order of the Arbitrators between him and her only, as a Security till they should have examined the Accounts Paupa Braminy one of them being Call'd in

Appeal of Coolecherla Paupia enterd upon and

——*FORT ST. GEORGE, APRIL 1725*——

declar'd that the reason of his & the other Arbitrators directing the said Paupiah to give this bond was that it appeard to them that the said Paupiahs father was indebted that sum by bond which was lost and that the meaning of its being a security was that the said bond was for the whole Amount Whereas Some mony had been paid on Account thereof Which was under Examination of the said Arbitrators.

ye. Judgement of Court Confirmed.

Whereupon it was AGREED to Confirm the Judgement of Court which was that the said Paupiah should pay the bond & Charges deducting what had already been paid on that Account.

The Papers relating to both these Appeals are enter'd after this Consultation.

AT A COURT HELD AT THE TOWN HALL ON APRIL THE 9TH. 1725 THE WORSHIPFULL JAMES HUBBARD ESQ^{R}. MAYOR & ALDERMAN ASSEMBLED.

Petition read and filed setting forth that he lent Nicholas Dela Cloche 240 Pagodas in Pegu and took a bill on Padre Thomas for that sum but being refused Payment both by Padre Thomas and Nicholas De la Cloche he prays the assistance of the Court for the recovery of the mony.

DEFERR'D and the Defendant order'd to deliver in an answer next Court day.

PETITION read 2^{d}. time.

16. ANSWER read wherein the Defendant denys to have receiv'd 240 Pagodas of the Plaintiff but allows that he borrow'd of one Ester Gray a Malabar the sum of 200 pagodas at 20 ℔ Cent respondentia on Ship Nabby Madutt from Pegu heither and gave the said Mallabar a respondentia bond accordingly that some time after the same Mallabar came to the defendant at a time when he was very much in Liquor and persuaded him to give him a bill of Exchange for the Principle and respondentia on Padre Thomas payable to Perea Tomby the Plaintiff which he the defendant being in that Condition & not sensible what he did comply'd with. That next morning he acquainted M^{r}. Turneree of it who advised him to write to Padre Thomas not to pay the bill which he accordingly did which was the reason that bill was not pay'd by Padre Thomas the Defendant further Adds the Plaintiff has often Sollicited him to make up the matter and offer'd to deliver up the bill if he the defendant would pay him 168 pagodas (Bill of Exchange for Pagodas 240 drawn on Padre Thomas payable to the plaintiff produced which the defendant acknowledges to be his own hand and Seal).

TRANSLATE of a Paragraph of the defendants letter to Padre Tho^{s}. read being as follows viz^{t}.

There is a Mallabar by name Perea Tomby who will come with a respondentia bond for 240 Pagodas I desire reverend Father that You will not discharge it till my arrival in Madrass because I have Contracted with him to risque it on the same Ship I myself shall Come on please to acquaint him the same althô he brings You my bond.

—*FORT ST. GEORGE, APRIL 1725*—

The Plaintiff being ask'd how the defendant came to owe him the sum of 240 Pagodas Answer'd that he first lent him 200 Pagodas at interest for which he took an Interest bond that upon making up Accounts the Principle and interest amounted to 240 for which the defendant gave him the bill and the interest Bond was then tore and denies that there was any respondentia Bond given he also denies that he ever offer'd to take 168 pagodas and deliver up the bill as Suggested by the Plaintiff but that the offer was made to him by the Plaintiff and he refused it.

The defendant insists he did sign a Respondentia Bond for 200 and offers to take his Oath thereupon ; alledges his being in liquor and not sensible what he did when he gave the bill which being Consider'd by the Bench was Judged not material enough to sett aside the bill.

ORDER'D therefore that the defendant do pay 240 Pagodas the Amount of the bill with cost of suit.

THE ANSWER OF NICHOLAS DE LA CLOCHE DEFENDANT TO THE COMPLAINT OF PERA TOMBY

HUMBLY SHEWETH

That as to what the Plaintiff sets forth in his Petition of his having lent this Defendant in Pegu the sum of 240 Pags. this Defendant denys the Allegation and doth Averr that he never did receive the sum from him But saith that he took up in Pegu of a Mallabar by name Ester Gray the sum of 200 Pags. to run from thence to this place on Ship Nabby Madut on which ship this defendant did himself propose to Arrive in and that they agreed for 20 ℔ Cent for which said sum this defendant gave the Mallabar a Respondentia Bond that some time after the said Mallabar came to this defendant and finding him to be much overcome by drink told him that he was agoing to Madrass and that he should stand in great need of mony to satisfie his Creditors there so took that Opportunity to impose on this defendant and got him in that Condition at a time he was depriv'd of his senses to give him a bill of Exchange on Padre Thomas (knowing he had remitted mony to him) for the Amot. of the Principle and respondentia payable to his Correspondent the Plaintiff. That the next morning the defendant after a mature Consideration went and made Complaint to Mr. Turneree Resident there and appris'd him how he had been (at a time he was incapable of knowing what he did) drawn in and imposed upon by the aforesaid Mallabar to give him a bill of exchange on Padre Thomas for the Amount of the respondentia Bond he the said Mallabar had in his Possession as well as the said bill of exchange the risque of which bond was not expired who advised this defendant to

—*FORT ST. GEORGE, APRIL 1725*—

write a Letter to the said Padre Thomas to advise him thereof & to stop payment which this defendant immediately did as by the said letter will appear which was the reason of the said Padre Thom'ss and this defendants refusing payment of the said sum as in the said Petition of Complaint is set forth. This defendant doth further Averr that the said Mallabar hath solicited him several times to make up the matter and told this defendant at the Plaintiffs House that he would adjust it by delivering up the said bill of exchange if he would then pay him 168 Pagodas which this defendant can bring proof of. WHEREFORE it is humbly referr'd to Your Worships Consideration whether it be Consonant to reason to imagine the said Mallabar and the Plaintiff would have made this defendant such a proposition being so great a deduction had they not been Conscious or rather fearfull of being detected in their unjust proceedings.

EXTRACT of a Paragraph of a Letter to Padre Thomas from M^{r}. Nicholas Dela Cloche as Translated from the French Original.

THERE is a Mallabar by name Peria Tomby who will come with a respondentia Bond for two hundred & forty pagodas. I desire Reverend Father not to discharge it till my arrival in Madrass because I have Contracted with him to risque it on the same Ship which I myself come on and please to acquaint him the same althô he brings you my bond.

The Petition of Servannah Widow

Humbly Sheweth

That Your Petitioner after the Death of her husband went and lived in the House of Verago father to the defendant Paupia who had the sole care and management of all Your Petitioners affair's that the said Verago falling sick and finding his illness increase sent for his son Paupia the defendant and Your Petitioner and settled Accounts with her before his Death at which time there was due from Verago to Your Petitioner about the sum of Three hundred pagodas for wch. said sum he with his son the defendant gave Your Petitioner a Bond and at the same time deliver'd several other papers and Jewells belonging to her which She lock'd up together in her Escrutore. That immediately upon the Death of the said Verago his son Paupia the defendant sent for a Smith Clandestinely and broke open Your Petitioners Escrutore stole out all her papers and Jewells among which was the aforesaid Bond for 300 Pagodas which was sign'd by the defendant Paupia and given by him and his Father to Your Petitioner just before his fathers death. Your Petitioner thereupon made Complaint to Justice but was prevail'd upon by Kistnamah Naik and Paupa Braminy not to prosecute it but to let it drop the heinousness of the said Paupiahs Crime being such that they greatly fear'd the rigour of Justice which Your Petitioner acquiesced in upon their promising her to examine the matter thoroughly which they accordingly did and upon Examination the said Paupia made Confession of the allegations as above specified and in the Presence of the aforesaid Persons voluntarily renew'd the abovesaid bond to Your Petitioner of which he hath since at sundry times paid her to the Amount of 45 Pagodas which Your Petitioner hath given him Credit in his Account for and further he the said Paupia promised & Agreed before the aforesaid persons to give Your Petitioner a house he had standing in the Patta for the Amount of the Jewells which he had stolen from her and had Squander'd away all which Your said Petitioner then Consented to but the said Paupiah instead of Complying therewith hath from time to time put Your Petitioner off with fair promises which he hath all along imposed on her being a poor woman and incapable of Aiding or assisting herself. Wherefore Your Petitioner Humbly Solicites the Protection of this Worshipfull Court from whom she doubts not of Justice and as in Duty bound shall ever Pray.

—*FORT ST. GEORGE, MAY 1725*—

Suncaramah examin'd about it.

Sunca Ramah being call'd in said three hundred and fifty Pagodas were given Governour Collet by the said Mahaudu for letting him have the Cowle and that the remaining ninety six pagodas were paid him by the said Mahaudu in seven Years as a Considerat^{n}. for his being security for the Payment of the rent. But that the 350 pag^{s}. were paid to him at several times and that so soon as the whole Sum was made up He and this Mahaudu came to the Fort and that this Mahaudu went with him and gave it Governour Collet of which Willaboo is Witness. Wallaboo being sick the sworn Braminy was Order'd to go to him and enquire whether he knew the fact to be thus and would take his Oath that the said Mahaudu did pay the three hundred & fifty Pagodas to Governour Collet.

Petition of Paupiah about y^{e}. pagoda at Collet's petta.

Petition of Paupia Son of Verago head Braminy of Collets petta read setting forth that Sunca Ramah had taken from him the Cowle & grants made to his Father Verago for a duty to be Collected for the maintenance of the said Pagoda and had put one Vigeah in possession of the same who had ever since collected the duties and would give him no Account of the Produce this Petition is enter'd after this Consultation as likewise the Grant of the duties.

Suncaramah examin'd about it.

Sunca Ramah being ask'd about this says he never medled with the Pagoda but that Vigeah had receiv'd the mony and Accounted to the Brameinees for it and that he did not meddle with it. Vigeah being call'd up told the Board that by Sunca Ramahs order he had paid Areapa all the mony that had been Collected for some time past on Account of that Pagoda which was occasion'd by a Complaint of all the Brameinees belonging to it that this Paupia was extravagant and spent all the mony that was granted for their maintenance.

The direction of it to be return'd to Paupiah.

Upon examining this affair It appear'd plain that the Cowle and Duties had been granted to Verago Braminy and his Family for the maintenance of the Pagoda and that therefore the Possession of it should be return'd to Paupiah and the Left hand Cast not having paid any duty since his being dispossess'd ORDER'D that they make up the Account and pay the Arrears and that the management of the Pagoda and Duties allow'd to the maintenance of it shall be Continued as at the first establishment.

The Left hand Cast order'd to pay y^{e}. arrears due to it.

THE HUMBLE PETITION OF MAHADEW

SHEWETH

That Your Petitioners Cowle for the Honble Companys old Garden being expired in Governour Collets time, Sunca VenkeTachelum order'd Your Petitioner to bring him said Cowle and Carried it to the then Governour who ask'd Your

——FORT ST. GEORGE, MAY 1725——

Petitioner how long he had been in Possession of said Garden. He answer'd that he and his Ancestors had rented it about 70 Years. The then rent being only Pag^{s}. 120 The Govern^{r}. told him there was other People that would give Pag^{s}. 150 ℔ Annum for said Cowle and ask'd whether he would give so much To which Your Petitioner agreed and the Secretary was order'd Accordingly to make out the Cowle in his name which was done and sign'd by the Govern^{r}. and Council. But Sunca VenkeTachellum receiv'd it unknown to Your Petitioner who being inform'd that it was in his Possession went and demanded it. But he told him there were people that would give Pagodas 200 ℔ Annum for it and if he would pay the same mony he might have it. Your Petitioner made answer that he Could not pay so much money for it besides the Cowle being in his name and granted to him what reason had Sunca VankeTachelum to detain it from him. Whereupon he sent his People and turn'd Your Petitioners Servants out of the Garden but detain'd all his Utensils taking possession of the Garden for himself. At last Your Petitioner finding that he Could obtain no Redress upon Promise to have the Cowle immediately deliver'd him actually paid the said VenkeTachelum Pag^{s}. 350 in hand but he nevertheless persisted in refuseing him the Cowle unless he Your Petitioner would pay him Pag^{s}. 18 ℔ Annum account Charity; To which Your Petitioner was at last obliged to Agree likewise. But thô he was put in Possession of the Garden Yet the said Sunca VenkeTachelum put him off from time to time with Promises but never deliver'd the Cowle till lat[e] when the Secretary demanded it of him by Order of the Governour. That Your Petitioner Continued to pay regularly into the Honble Companys Cash Pag^{s}. 150 ℔ Annum for the said Garden but never having seen the Cowle nor had the terms and Conditions of it Communicated to him has forfeited the same to his great prejudice; That the said Sunca VenkeTachelum extorted of Your Pet^{r}. at first as above Pag^{s}. 350 and afterwards Pag^{s}. 18 ℔ Annum the two last Years of M^{r}. Collets Government under Pretence of a Charity. That no Demands were made upon him the 2 Years of M^{r}. Hastings Government but when M^{r}. Elwick Succeeded the aforesaid Sunca VankeTachelum having again recover'd his interest obliged Your Petitioner to pay him for the 2 Years of M^{r}. Hastings Government Pag^{s}. 12 ℔ Annum but upon a Different pretence Viz^{t}. That he was Surety for my Complying with the Conditions of the Cowle and Continued to oblige me to pay him under said pretence Pag^{s}. 12 ℔ Annum all the time of M^{r}. Elwick's Governmen[t] Which was a Manifest Extortion for Your Petitioner nor any body in his name ever ask'd Sunca VankeTachelum to be Surety for him Nor ever was any Surety demanded of him by any of the governours or any ℔son whatever in their name So that the said Sunca VankeTachelum h[as] extorted from Your Petitioner,

Paid him at first as above	Pag^{s}.	350	— —

Beside the dammage he has Sustain'd by the forfeiture of the Cowle for not knowing the Contents of it Which is he hopes evidently Chargeable to Sunca VankeTachelum. WHEREFORE

Your Petitioner humbly intreats Your Honour &c^{t}. Council will be pleas'd to Order the said Sunca VankeTachelum to refund the several Sums extorted from him with Interest & to make him just Satisfaction of the Dammages & Wrong he has Sustain'd by his means &

Your Petitioner as in Duty bound Shall Ever Pray &c^{t}.

FORT S^{T}. GEORGE
19TH. APRIL 1725.

—*FORT ST. GEORGE, MAY 1725*—

To the Honble James Macrae Esq^r.
President & Governour of Fort S^t. George.

The Petition of Paupiah Braminy

Humbly Sheweth

That when M^r. Collet was Governour of this Place Virago Your Petitioners Uncle built a Pagoda at Collets Petta near Trevitore and prevail'd upon the inhabitants of Madrass to Contribute something towards the maintenance of it and was allow'd for that Purpose a small duty upon all goods either imported or exported from the Sea Gate and Choultry for which the said Governour Collet was pleas'd to grant him and his heirs for ever a Cowle which is register'd in the Town hall. The said Verago during his life time expended his whole estate upon the said Pagoda when he died the Proffits arising by that Pagoda by Virtue of the abovemention'd Cowle descended to Your Petitioner which he for sometime enjoy'd without molestation. One day Sunca Ramah sent Viziah formerly the deceas'd Verago's Conicoply to order Your Pet^r. to bring him the Cowle and Papers relating to the said Pagoda which he refused to do whereupon the said Viziah told him that unless he did the Consequence would prove very much to his disadvantage. Your Petit^r. being Sensible that it was in the Power of so great a man as Sunca Rama to do him a great deal of Prejudice and not knowing how far his resentment would reach Should Your Petitioner not Comply with his order, carry'd the Cowle and papers aforesaid to Sunca Ramah and ask'd him what he wanted with 'em he answer'd that he intended to take the management of the abovesaid Pagoda upon himself and therefore demanded the delivery of the Cowle and Papers belonging thereto which Your Petitioner would not do Saying that the Cowle was granted his Uncle for himself and heirs for ever and that he Could not deliver up that right without doing injustice not only to himself but his heirs. Sunca Ramah finding Your Petitioner resolved not to part with his right by fair means by threatnings and other unjust methods forced the Cowle & papers from him and gave the Charge of the Pagoda to the abovesaid Viziah who has ever since that time receiv'd the dutys of the Pagoda and enjoy'd the Profits of the same without ever giving Y^r. Petitioner any manner of Account. Your Petitioner made his Complaint to Governour Elwick of these the said Viziahs unjust proceedings who was pleas'd to send for him and Order'd him to give Your Petitioner an Account of his Proceedings in relation to the Pagoda as often as thereunto required which he promised to do but notwithstanding that Your Petitioner Could never bring him to it. Your Petitioner likewise desired Governour Elwick to order that he might keep one of his own Conicoplys there which was done for about ten days then Viziah turn'd him out pretending that so long as he Continued there the Merchants would not pay the Usual dutys.

Your Petitioner having run himself greatly in debt to maintain the said Pagoda occasion'd by his being wrong'd of the Profits arising therefrom by the unjust and underhand dealings of Viziah and being now reduced to the most despicable Condition doubts not but Your Honour will have Compassion on him and Considering the justness of his Cause order the said Sunca Ramah to return him his Cowle and Papers and Viziah to give him an exact Account of his Transactions for the time he had the said Pagoda under his direction.

Your Petitioner as in duty bound shall ever Pray.

We the Subscribers hereunto of the right hand and left hand Cast Chief Merchants and Inhabitants of Madrass do hereby Promise at the request of Rausum Verago Braminy to pay or Cause to be paid by us for the advancement and maintenance of the Pagoda named Colleana Veradarassuloo Situated in Collets Petta the Several Dutys undermention'd Viz^t.

For all Cloth or other Goods brought in at the Sea Gate and Choultry Seven Cash and a half ℔ a Pagoda.

—*FORT ST. GEORGE, MAY 1725*—

For all Grain, Timbers, Planks, Tobacco or Coral 5 Cash ℔ a Pagoda.

For all cloths brought in by the Companys Merchants two Cash and a half ℔ Pagoda for oil every mill $3\frac{1}{2}$ parts of a measure.

In Witness whereof we have hereunto set our hands in Fort S^{t}. George this 1st. day of June Anno Domini 1719.

At a Court Held at the Town Hall on the 16th. October 1724 The Worshipfull James Hubbard Esq^{r}. Mayor and Aldermen assembled.

Petition read and filed Setting forth that Seg^{r}. Estra Gregorie being Indebted to Trivalapa Muta Marr Chitty in the sum of 70 Pagodas as he Can make appear by her Bond hopes that the Worshipfull Bench will give an Order for the Sale of her Effects and goods to that Amount he having according to the usuall process of the Court attachd her Effects in Order to Discharge the Debt.

Order'd that the Defendant make answer next Court day.

October 27th. Petition Read a 2^{d}. time.

The Defendants Attorney not having his Answer ready Order'd that it be deferr'd till next Court day.

Novem^{r}. 3^{D}. Petition read a third time.

Answer read.

The Defendants Attorney producing several Accounts which were read and bringing Opia Conicoply as a Witness Who was Examin'd and declared that Sumadrew did not pay the defendant 100 Pag^{s}. which the Plaintiffs Attorney asserted.

Order'd therefore that Sumadrew be Summon'd to appear and that it be deferr'd till next Court day.

17th. Petition read a 4th. time.

Summadru being Call'd by the Bench to give an Account what he knows of the Payment of the 100 Pag^{s}. declares that Muta Mars Conicoply Came to him in Company with another man whom he took to be Servant of Estra's for 100 Pag^{s}. and that he Order'd his Brother to pay it to him and Entred it in his Account as paid to Mutamar on Estra's Account.

——*FORT ST. GEORGE, MAY 1725*——

China Summadru declares he paid the 100 Pagodas his Brother had Order'd to Mutamars Conicoply in Company with a Servant of Estra's but is not Sure whether it was her Conicoply or no.

Vereta Mutamars Conicoply Declares that it was Opia Estra's Conicoply that went along with him to Summadru and was with him when Summadrew's Brother paid the 100 Pag^{s}. and further declares he paid the said Opia the 100 Pagodas for his Mistress.

Oppia the defendants Conicoply denys to have been along with Mutamarrs Conicoply to Summadrew when any money was paid that he knows nothing of the mony having been paid at all and that he never receiv'd it.

M^{r}. Gee Attorney for the defendant alledges the improbability of the mony being paid to the Conicoply Since Mutamarr upon Estra's Brother going away to Bengal had been ask'd several times about it and then Could not tell who it had been paid to which he might Certainly as well done then as now and Desires that Francisco Delure might be examin'd who was Accordingly call'd in and declares that Francisco Gregorie Brother of Estra Gregorie sent for Mutamarr and Ask'd him whether he had paid 100 Pag^{s}. to her and where it was or to whom it was paid But would give no further Answer than it is where it is.

Comrapah declares that the Defendant Sent to him and went to Chicas House and ask'd him whether he had receiv'd it he Answer'd he had not and further he ask'd the Plaintiff where is that 100 Pagodas and he Answer'd where it is there it is.

Perseramah declares that about a month ago Paupa Braminy Carried the Deponent with two more to the house of Chinado where this deponent heard the said Paupa Braminy ask the said Chinado what he meant by telling his Mistress Estra Gregorie that he had receiv'd the 100 Pagodas and that he wanted to advise him about it but that Estra Gregorie kept him so long that he had no Opportunity and that Chinado then ask'd the said Paupa Braminy where was one Balua a Peon who lived at Triplicane and told him that when Sumadru went to his Church He would get him to send for him and would likewise go with Sumadru and that he would give that Peon some Piscash to make him say that he had receiv'd the 100 Pag^{s}. & paid it to Estra Gregorie.

The Peon Ballua and Conicoply Chinado not being present M^{r}. Gee Attorney for the Defendant desired that they may be summon'd which was Agreed to &c^{ra}.

Order'd therefore that it be deferr'd till next Court day.

Novem^{r}. 24th. The plaintiff was ask'd what time the mony was paid.

Answerd the 15th. of May in the year 1723.

M^{r}. Gee in behalf of the defendant informs the Court that Mutamarr being Indebted to her that she often sent to him for this 100 Pagodas and was put off from time to time but at last her brother Francisco Gregorie promised her to be Accountable for the mony and from that time forward she never troubled Mutamarr about it but upon her Brothers going away in July last she made up Accounts wth. him but found he had not Credited her for the 100 Pag^{s}. he had promised to be Accountable to her for Mutamarr and said he had forgott to ask him for it therefore had not put it in his Account And then Mutamarr was sent for to her Brother who acknowledges he had not paid him the mony but would give no further Answer than it is where it is and did not then say it was paid to the Conicoply. She also produces a Certificate from her Brother that the mony was not paid him and Adds that Estra Gregorie is willing to take her Oath that She never Receiv'd the mony and that she had never sent to Mutamarr after her Brother had Agreed to be Accountable for it till about the time of his going away in July last.

VenkaTachelum Bodeinda and PersiaRamah declares that Chinado acknowledg' to them that Mutamarr had taxed him with receiving the 100 Pagodas.

——*FORT ST. GEORGE, MAY 1725*——

Chinado denys that ever he said that Mutamarr had tax'd him with it and declares that Oppia VenkaTachelum Podunda and Persia Ramah brought him Mutamarrs Account Curr^{t}. wherein 100 Pagodas was mention'd to be paid to Oppia and that he had told his Mistress he had not receiv'd it and Ask'd him what he should do in the Case and that he the said Chinado answer'd he wondred how he dare to say he had not Receiv'd it Since he knew he had been four or five times to Demand it.

Latcheram being call'd as a Witness Declares that his Mistress sent him to Demand the mony of Mutamarr and that Mutamarr Carried him to Checa's House where they talk'd about the affair and afterwards bid him go and speak to the defendant that Checa would pay the mony which Accordingly he did.

And Latcheram being ask'd what time it was when he Demanded the mony says he Could not well remember the time but that he believes it was three months before Checa went away.

The Peon Ballua declares that Chinado did not offer him any mony at all nor spoke to him to say any thing in the Case and that he is ignorant of the whole matter.

The Bench thinking it Proper to have some time to Consider of this affair it is Agreed

December 1st. ORDERD that it be deferr'd till next Court Day.

Sumadru was ask'd whether he would take his Oath to what he had declared in the foregoing Court days he acquainted the Bench that neither himself or any of his Family ever did and desired to be excused for that he Could not do it upon any Account whatsoever. Sumadru declares further that as he was walking by her house Estra Call'd him in & ask'd him for the hundred Pagodas which the said Mutamarr had Order'd him to pay That he then gave her for answer he would pay her in two or three Days.

The Bench having in the Preceeding Court days fully heard both partys and taken the Declarations of such as were produced as Evidences and after having spent a Considerable time in Debating on the affair Agreed to come to some Resolution Concerning the 100 Pagodas enterr'd in Mutamarrs Account Currant with Seignora Estra and said therein to be paid to her whereupon the following Questions were put to the bench Whether Verda Mutamarrs Conicoply should be allow'd to take his Oath to the Payment of the mony and Whether upon taking his Oath Accordingly the Conicoply Oppia upon whom he thereby fixes it Should be adjudged to have receiv'd it which were resolv'd in the Affirmative.

BECAUSE that this Conicoply Verda fixes the sum upon Oppia and since he denys to have receiv'd it It remains for the Plaintiff to prove the Payment and the Oath of the Evidence in the Affirmative has been always Esteem'd in this Court of Greater Validity and Consequently taken before any negative oath.

It being mention'd that the Usuall method of Administring the Oath in Court was not Deem'd so Solemn as the taking an Oath at the Pagoda,

ORDERED therefore that Paupa Braminy who officiates for the interpreter he being indisposed see this administer'd in that manner.

It was then put to the vote whether Oppiah should be accountable to Seignora Estra or to Mutamar and it was AGREED that he should be accountable to his mistress and Seignora Estra to Mutamar because that this Conicoply is well known to have been employed in Transacting business for her and that as both the Sumadru's declare the one that a Person came along wth. Mutamar's Conicoply whom he Took to be a servant of Estra's the other that some one Servant of Estra's was with the Conicoply of Mutamar as more particularly may be Seen by their Examinations and declarations in the foregoing Court days when the sum of one hundred pagodas is Said to be paid to Mutamarr's Conicoply and that as Estra had herself asked this

mony of Sumadru on Accôt. of Mutamarr's debt to her and further y^e^. oath of the Conicoply that he paid the s^d^. sum to Oppiah at the Time he received it of Chinia Sumadru and it being mentioned upon the Cajans of the s^d^. Chinia Sumadru that the sum was paid to the Mutamar's Conicoply acco^t^. his debt to Estra, and that as he was a Servant of her's he is thereby accountable to her, and she to Mutamarr, as the sum was received on acco^t^. of his Said Mistress Estra Gregorio.

Orders about traversg. goods in y[e]. road.

The Custom of traversing of goods from Ship to Ship in the road to save the Customs having grown pretty much into use thô Contrary to the Orders of our Honble Masters AGREED that the Secretary do affix a note at the Sea gate declaring that whatever goods Shall be so traversed Shall be seiz'd and Confiscated one third to the use of the Company one third to the informers One third to the Officers of the Gate And that the Peons Concern'd therein shall be fined at the discretion of the Governour & Councill.

All bales exported to be packed before a seagate Officer.

This being the Season of the Year for the Exportation of Peice goods and there being good reason to believe great Parcels of fine goods are Clandestinely carried off as coarse occasion'd by the impossibility of examining every bale at the loadg. of a Ship at the Custom House. It was resolv'd in order to prevent this evill That all bales shall for the future be pack'd in presence of the Sea Customer and his Officers or such as he Shall Appoint Who shall take Account of the same before they are Permitted to go off the Shore. Times to receive it has hitherto declined it thô by the established rules of this place he ought to have Recd. & paid for it some days ago, Mr. Croke persisting still to refuse receiving the wheat occasions a very great prejudice and loss to yor. Petitionr. who had borrowed the money wherewith it was purchased at Respondentia wch. is now due & demanded of him, and he cannot pay it unless Mr. Croke pays him for the wheat so sold him. Yor. Petitionr. humbly begs leave to Represent further that during nine days after the sale of sd. wheat no objections was made by ye. Petition from Messrs. Debated.

This matter being debated it was judged reasonable that the said goods should be transported without paying the Customs because it is Evident that they was not designed for this market also that they paid the customs at Surat and were to have been put on board the Southgate directly there but were not for want of a Favourable

——*FORT ST. GEORGE, JUNE 1725*——

AT A COURT HELD AT THE TOWNHALL ON FRIDAY THE 23D. OF APRIL THE WORSPLL. JAMES HUBBARD ESQR. MAYOR, &Cr. ALDERMEN ASSEMBLED.

23d. Petition Read and Filed setting forth that John Baptiste Alano took up money of yor. Petitioners at Respondentia from this port to the port of Bengall but instead of Returning hither to discharge his bonds and satisfie his Creditors He has traded these six years up and down the Country with Yor. Petitioner's money giving them Little or no satisfaction but what they obliged him to by attaching his Effects wherever they could find them and one Peria Tombee Lately arrived from Cochin informed Yor. Petitioner that he had 600 pagodas of the sd. Alano's in his hands wch. we have Since attached & are Since informed that he has brought hither of the sd. Alano's to the amount of sixteen hundred pagodas to buy Stores and necessaries for his Ship therefore Yor. Petitioners humbly requests this Worspll Bench to order the money already attached to be delivered them & to Enquire about the other sum suspected to be deposited in the hands of the sd. Peria Tombee &ct.

Mr. Fleetwood Attorney appearing in the behalf of the Defendt. and desiring Time till the next Court day to give in his answer it was agreed to and ORDER'D that it be Deferred.

May 7th. Petition read the 2d. Time.

Answer Read and Filed shewing that the Defendant is entirely unacquainted with the debts that has been Contracted with the Plaintiff as is Sett forth in his petition; and as to his having any money of Alano's in his Possession this Defendant utterly denies but acknowledges that he was necessitated for money at Acheen wch. he took up on the Owner's accot. and payable in Pegue wch. accounts he is ready to produce to his sd. Owners whenever they are required; but as there has been such insufficient grounds for an Action to be Taken out against Yor. Petitioner therefore prays that his cause may be dismissed &cr.

The Defendant being asked if he had any money of the said Alano's in his hands denys that he has any except what he is to make good at Pegue. He owns that upon the Exchange of his brigantine with Alano's ship there was a difference of 400 pags. due to Alano wch. he did not pay him but writ to Mr. Townshend in Pegue to pay it and in case he does not comply he has ordered his brother to pay it. He also owns that he had Brimstone and other things wch. he was to pay to Mr. Alano with the Respondentia at Pegue.

Mr. Fournier being Called in, declares that he heard Alano say at Acheen that he Lent Peria Tombee 1640 pags. being for the difference of the exchange of the Vessels & for Brimstone &ct. sold him wch. was to be paid him with the Respondentia at Pegue & further says that he also Sent by the sd. Peria Tombee a Box of Amber to be d. to Mr. Vincent at Pondicherry in order to buy arms &ct. as ℔ List he gave him and further declares that he heard the sd. Alano say that the money belonged to the King of the Maldives.

The Defendant being asked what effects he had on bd. Alano's brigantine that was to go to Pegue Sufficient to discharge that Respondentia he was to pay him there answers that he had several goods aboard wch. he has not the List of by him now but will produce it next Court day.

ORDERED therefore that it be Deferred.

AT A COURT HELD AT THE TOWN HALL ON FRIDAY THE 14TH. DAY OF MAY—THE WORSPLL. JAMES HUBBARD ESQR. MAYOR AND ALDERMEN ASSEMBLED.

Peria Tombee being asked for the account of what he had on board the Brigantine to pay Alano's Respondentia with, says that he had 13500 sneakers which cost him at the rate of 25 dollars a thousand and that he sent a Letter to Mr. Townshend to sell the Sneakers & pay the money he had of Alano at the rate of 3 Tecoll ℔ Pagoda and in case of nonpayment of Mr. Townshend he had ordered his brother to pay it.

——FORT ST. GEORGE, JUNE 1725——

Translate of a Letter from Monsieur Alano to Peria Tombee read as follows Viz^{t}.

"I was Inform'd by Noqueda Pasa that y^{o}. wanted 100 pagodas to satisfie for "the Expences on yo^{r}. accot. and that you were no more indebted to me: 'tis with "some Reason that you say because the money I sent you is the King of Maldivies. "I Send Philip to demand it of you or else security for y^{e}. payment of yo^{r}. Letter in "Pegue.

PHILIP being asked what he knows of this affair, declares that he was present at Acheen when Peria Tombee gave an order to M^{r}. Townshend and his brother to pay Alano 1645 pag^{s}. at the rate of 3 tecoll ℔ pagoda in Pegue and in case the money was not paid there then Peria Tombee was obliged to pay it with 17 ℔ Cent Respondentia on his coming from Madrass to Pegue and further in case of his not going to Pegue again, then He was to be accountable to M^{r}. Vincent Alano's Attorney.

ORDER'D that he Take his Oath in the Portuguese church to the truth of this affair.

THE COURT having debated on the whole GIVE JUDGMENT that the s^{d}. Peria Tombee pay into Court the Sum of 1645 pagodas or that he give Security that this money be forthcoming till we can hear from Pegue whether it be paid there or no and further that the Register write a Letter to M^{r}. Townshend and Peria Tombee's brother that if the money is not already paid, not to pay it.

ORDER'D that the Plaintiff pay Cost of Suit and that it be Deducted out of Alano's money.

General from Ft. St. David read.

General Letter from Fort St. David No. 68 dated the 9th. Instant read enclosing Invoice and bill of Lading for twenty bales of Callicoes on board the Marlbrough.

Madera Wine to be sold at outcry but not undr. 70 ps. ℔ pipe.

AGREED that the Madeira wine remaining of ye. Company's of wch. there are about thirty pipes be put up at outcry now the town is full of people but that the Warehousekeeper do not let it go under Seventy pagodas the pipe because as there is none to come this year and no probability of any Syrash wine from Persia, if it will not reach that price now in a Little Time it must and make good for the Leakage.

Mr. Tempest told he [ca]nnot be sent to ye. West Coast better than third of Councill.

Mr. Tempest Coming here on the Lynn to go from hence Second to the West Coast the paragraph of the Honble. Company's Letter relating to him was Read and Considered : whereby they Tell us that he is to go in that Station unless We have some Extraordinary Reasons for continuing the person who is there already and the whole board agreeing that we have, Mr. Tempest was called in and Told that the matter being entirely left to us We Cannot Think proper to send him more than Third of Council there to wch. he desired some day's time to consider of the proposal and withdrew.

Reasons for continuing Mr. Carnagie Second there.

The Reasons the Board have for not displacing Mr. Carnegie are that he is well known to us all to be as well diligent as capable of business that he has approved himself to be very honest and that he has in the time he has been there rendered himself So fully Master of ye. Company's affairs on the West Coast that in case of Mr. Walsh's death or absence there is not one now there so fitt to be entrusted with that Government and however Honest and Capable Mr. Tempest may be in other cases it is impossible he shou'd at his first arrival be able to manage our Honble Master's affairs there which require a very skillfull hand to manage and a thorough knowledge of them in whoever is entrusted with them.

The Company's Merchts. again called for on accot of their dilatoriness.

The Company's Merchants continuing extream Careless in providing Cloth notwithstanding our Continued instances at the board and in private by promises as well as threatenings, The President hinted to the Board that whereas the Terms of ye. Contract specified a forfeiture upon the whole in case of Failure wch. might possibly make the Merchants neglect bringing in any goods finds. themselves incapable of providing the whole and believing they shall be fined agreeable to the Letter of the Contract therefore he proposd as ye. last thing that cou'd be done to call them in and Tell them that althô Such were the Terms of the Contract yet we Resolved to charge the Fine on no more than what they did not bring in and therefore that the more goods they shod. bring the less their penalty wod. be and the Less quantity of goods they bring the more they would Suffer ; this proposal being agreed to the Merchants were calld in and told this resolution to wch. they answered they took all imaginable care to provide goods and woud Continue so to do.

In Compliance with yo^r. commands, and agreeable to the Honble Company's directions, I proceed to offer the following Reasons for my Calling at Fort S^t. David.

My Passage from England to this coast, (not Touching at the cape) occasioned so great an Expence of water, that I found myself obliged to put my ship's company to a Scanty allowance & Found that even at that rate, I had Scarce sufficient to Support my people to the Bay : this consideration put me upon Securing the first port, which was Fort S^t. David, where on my Going ashore, I was seized with so Violent a Fever, that it was the opinion of my Surgeon I co^d. not Leave the place in that Condition without the utmost hazard of my Life. These Circumstances considered, will I hope prove Sufficient and clear me from any Censure and remove any displeasure that has or may arise from Such my Conduct. I am with all due respect

The Humble petition of Zellipolli Shesha & Nagulou

Sheweth

That in Governr. Collet's Time, Jaldou Papaya, Cannawarum Ramanaya, Pollawarum Yellapa, Batzu Collastri and Tirtawasy having sold grain clandestinely, without ye. knowledge of Farmer Kistna, by a small measure, and not by Mercall, according to the Company's orders, the sd. Farmer having detected the fraud, complained of it to Governr. Collett and the then Mayor Mr. Horden; whereupon the sd. offenders being Committed in order to be tried and punished, they Sent a message to Suncah Moodu Rama & Vencatachelum, praying them to use their Interest and endeavours for procureing their being set at Liberty, without punishment; upon wch. an agreement was made to pay Govr. Collett Pags. 2000.—.—and Mr. Horden 1000 more, on condition they should be so discharged, wch. was actually Comply'd with. But in Governr. Elwick's Time the abovementioned Five men having Chosen Mr. Tullie their Attorney, sued Mr. Horden in the Mayor's court, for having obliged them to pay him Pags. 3000 without a just Consideration, and Sent for yor. petitioners to give evidence that they had paid him sd. sum; but they positively refused giving such evidence, it being contrary to Truth, & told them they wod. for no consideration perjure themselves; whereupon the sd. Jaldou Papaya &ct. were very angry with Your Petitioners and acquainted Sunca Vencatachelum of their having refused to give the evidence required, and he informed Governr. Elwick of it, who was very much displeased with yor. Petitioners for refusing. Afterwards Yor. Petitioners were summoned to court to make oath as to the Truth of the matter, wch. they did, that they the sd. Jaldou Papaya &ct. paid Governr. Collett Pags. 2000 and Mr. Horden 1000, whereupon Yor. Petitioners were ordered by the Court to withdraw Next court the said Jaldou Papaya &ct. suborned false evidence who made oath yt. they paid the sd. money into Yor. Petitioner's hands, whereupon Yor. Petitioners were asked by the bench whether the Fact was true; who declared that being Shroffs, the sd. Jaldou Papaya &ct. brought the money to them to be tried whether it was good, havg. peons to carry it, and after Trial made of it, carried it back again. Upon this the Court gave judgment against yor. Petitionrs. that they shod. pay the money, and they appealed from that judgment, to the Governr. and Council, who confirm'd ye. Judgment of the Mayor's court. Yor. Petitioners being then afraid, desired Sunca Challum to make up the matter to prevent their being brought into Trouble on that account, who told Yor. Petitionrs. that if they wou'd pay the Governr. Pags. 600 in that case he wod. make it up; but Yor. petitioners representing that their Circumstances wod. not allow of paying so much, he orderd Yor. Petitionrs. to bring him Pags. 300 wch. were accepted of and paid; but he Required Yor. DECLARATION OF CANCHERLA VERREE CHITTEE of Suncah Ramah's Cast.

That Sunca Moodu Ramah being at Triplicane sent for me to Madrass to come to him and being come he ordered me as follows. Batzu Arnargeri, Tirtawassy, Carnavarum Raman[aya], Zalldupapaya and Pollawarum Yellapa these five Merchts having in Govern^{r}. Collett's Time paid him the s^{d}. Governour Pag^{s}. 2000 and 1000 more to M^{r}. Horden then Mayor they had afterwards charged Shroffs Sesha and Naguloo with having received s^{d}. money ; but that they the s^{d}. Collett and M^{r}. Horden, and therefore knew

not for what reasons he sho^{d}. pay the Pag^{s}. 600 demanded of him; althô Sunca Moodu Ramah had sent me, how I dared to come to him on such an Errand, that he would not pay one Cash on that account, that powerfull Gentlemen will dispose of my houses and gardens, it seems contrary to Law; but Let him see to it, that when he was once recovered of his Sickness, he would return to Madrass and apply for Justice, w^{ch}. he doubted not to obtain, and then they would be obliged to return him his Effects. I Returned to Madrass and acquainted Suncah Moodu Ramah with what is above w^{ch}. is all I know of the matter.

Ancona's affair Resumed,

After which according to Resolution of Last Consultacon the Board went on Anconah's affair.

Debated

An Objection being Started that it was now upwards of three Years since these affairs had been in court and that according to rule no appeal can be Lodged above three days after judgment was given Anconah was called in and urged that he had for many months before Mr. Elwick came to the Government been ill and in the country for the recovery of his health and that at that very Time when his Houses and gardens &c^{t}. were sold he was ill at Arcott, that not having y^{e}. use of his limbs he could not come down but that he wrote both to Mr. Elwick and Mr. Oadham the then Mayor request^{s}. that they would not proceed to sell his houses and goods till he coud come to answer for himself w^{ch}. he woud do as soon as he was well and answer all just demands on him. Copy of his Letter to Mr. Elwick was produced and read which is ordered to be entered as was Likewise a Letter from one Appanah Vencaty Putty to Anconah wherein he tells him that Sunca Rama has offered Mr. Elwick very large sums on his (Anconah's) Accot but that Kistna had prevailed on him to give him a protection for thirteen hundred pagodas from whence it appearing that Anconah really desired to come and made application for a protection as likewise that he was ill all which was confirmed by Paupa Braminy who declared he translated the Letter to the Governour and that he made answer that it was very well Anconah might come when he was recovered. It was Resolved to go on with the Examination since Anconah appears plainly to have been hindered from applying sooner by unavoidable accidents and not by any design.

and it is Resolved to go on with the examination.

Sev^{l}. Circumstances prod^{d}. to clear Ancona from havg. ever been concern'd therein

The Subject of the papers entered after Consultacon of y^{e}. 12th. of this Instant were then entered upon and Anconah having in his petition charged five grain Merchants, Two Shroffs Suncamooda Rama and Vencatachelum with having Suborned False witnesses who had obtained a judgment against him whereby he was a Sufferer to the amount of Ten thousand pagodas, likewise the two Shroffs declaring y^{t}. Sunca Rama had a great part in this affair and was the cause of their procuring false evidence against Anconah, also Sever^{l}. peons having witnessed to the payment of the money neither to Ancona or the Shroffs but by the Five Grain Merchts themselves to Mr. Collett and Mr. Horden, and further one of the Evidences against Ancona having declared himself perjured It was unanimously Agreed that Anconah had nothing to do in y^{e}. Affair and therefore the Court misled by the positive orders of Two witnesses had given a wrong judgment so that it was just Ancona sho^{d}. not be a Sufferer.

& sundry papers read & people exam^{d}. thereupon.

This being the State of the case the Board proceeded to Examine several persons and read some further papers & declarations as follows viz^{t}.

Cancherla Chittee's Evidence.

Cancherly Verree Chittee a Banyan of Sunca Ramah's cast appearing confirmed his declaration Enterd after consultacon of the 12th. with only this difference that in his declaration he says Moodu Rama asks six hundred pagodas of Anconah but now he says Five hundred and positively declares he will take his oath before the pagoda that he was Sent by Moodu Rama to Ancona with a message to Tell him that the three thousand pagodas for which Mr. Horden was Sued were Flung upon the Shroffs who had got Evidence and Flung it upon him and his houses & gardens were to be sold but if he would give five hundred pagodas and the Shroffs make up five hundred more it woud satisfie the five Merch^{ts}. and save the sale of his houses and gardens &c^{t}.

Nairo Ball Chittee's.

Nairo Ball Chittee one of the Company's Merchants declares that he and Moodu Ramah and one more were with Ancona in the Country and that Anconah offered to give Five hundred pagodas to make up the matter provided it might be adjusted by the Company's Merchants or the Governour and Council and not in the Mayor's court.

Poncala Kistna's.

Poncala Kistna the Tobacco and Beetle Farmer affirms that upon Anconah's desire he consulted with Suncarama and that it was agreed to make up the matter for one thous^{d}. Pagodas to Mr. Elwick and three hundred to Mr^{s}. Elwick.

—*FORT ST. GEORGE, JULY 1725*—

Sashia's declaration

Sashia one of the Shroffs concerned in the former declarations offered to Take his oath at the pagoda that it was upon Sunca Ramah's advice that he sued Ancona & Suborn'd false evidence to swear the money upon him, that upon refusal to do it Sunca Ramah told him if he wo^{d}. not he must rot in prison & sho^{d}. have his ears cutt off and several other such things. Sashia adds as a proof hereof that he expressed a great deal of Concern upon this occasion immediately to sever^{l}. persons particularly to Poncala Kistna.

Confirm'd by Poncala Kistna's.

Poncala Kistna being asked about this declared y^{t}. upon asking Sashia how he could get False witnesses against a man that he knew to be innocent he (Sashia) replied that Sunca Ramah told him he must do it or Rot in prison.

a declaration of the Chief Merchants in the place in favour of Ancona.

After which a declaration was read of the Chief Merchants of the place declaring that to their certain knowledge Anconah was unjustly charged with the three thousand pag^{s}. This declaration is entered after Consultacon.

The Peon's Evidence.

The peons were then Called in and Jangomaya confirmed his declaration before delivered in as did also Shasadree and Ragona who all affirm the Five Merchants went with them to M^{r}. Horden and carried three bags of pagodas that they Left one bag with him and carried the other two to M^{r}. Collett who sent his Dubashe to bid them release the s^{d}. five Merchants.

Ancona charges Moodu Rama likewise for extortion of moneys from him.

Ancona further charged Moodu Ramah for having endeavoured when he was up in the Country to get a bond of Sunca Ramah's to him for three thousand pagodas & Forcing him to give a Receit for three and Twenty hundred in part of it having in the night time sent Twenty peons who forcd the s^{d}. Anconah into a Dooly and told him they were going wth. him to the Nabob but that they carried him to Moodu Rama's who Kept him four & Twenty hours and made him give a receipt as above after he coud not prevail upon him to deliver up the bond, one thousand of which Moodu Ramah sayd was paid to him in Madrass and the other Thirteen hund^{d}. was to be given to the Nabob.

Moodu Rama's defence in respect to Cancherla Verree Chittee's evidence

Moodu Ramah being Called in and charged with w^{t}. Cancherly Verree Chittee alledged denied it positively, affirm^{g}. he never Sent the said Cancherly Verree Chittee and confirms Baal Chittee's evidence declaring it was Anconah that desired them to make up the matter and he would give five hundred pagodas to do it.

and to Ancona's charge.

Being asked about the other matter he denied the forcing him to come to his house but that he came to him for money and that he (Moodu Ramah) counted out thirteen hundred pagodas and paid him in ready money and that he had before received one thousand pagodas in Madrass being asked why he Took no receit in Madrass he said it was paid Anconah on accot their being admitted to the Contract.

Petition from the Five Merchants read

Then was read a petition from the beforementioned Five Merchants Jeddoo Papaya, Batzu Collastre, Canawarum Ramana, Pollawarum Yelleapa & Tirtawasi praying the assistance of the board for the recovery of the remainder of the judgment of the Mayor's court they not having Yet received the whole.

and

they were told that several persons were ready to swear in the most Solemn manner that they rece^{d}. back the money from Sashia and Naguloo and carried it themselves to M^{r}. Horden and M^{r}. Collett to which they replied they never did and they hoped it would be considered there was a great deal of difference between Merchants and Peons and therefore they hoped they should be believed sooner than those Peons.

Proceedings thereupon.

The proceedings of the Mayour's court in y^{e}. Cause between the Five Merchants and M^{r}. Horden as likewise between the Shroffs and Ancona were then read as at large Entered hereafter whereby it appeard that the Five Merchts sued M^{r}. Horden not Sashia and Naguloo and that it was not the five Merchants but Sashia and Naguloo that obtained Judgment against Anconah.

——FORT ST. GEORGE, JULY 1725——

Peticon from Ancona Agst. Banda Gruapa read and Deferred.

There was likewise read a petition of Anconah's against one Banda Gruapah but not having Time the Consideration thereof was deferred till another opportunity.

Debate upon the whole

All the Concerned in the other affair being then withdrawn, it was argued that from the whole it appeared Anconah had been very unjustly used and ought to have Reparation but that as it did not appear these five merchts. had been any ways instrumental in the damage done him they ought not to pay any more than what had been paid them out of his estate with the Interest; on the other hand it was urged that these Five persons having unjustly obtaind a Judgment against the Shroffs were the occasion of their obtaining a further unjust verdict and Execution against Ancona & were therefore the original cause of his ruin and also that Sunca Ramah who is a Relation of these Five persons ought to bear his proportion in making satisfaction to Ancona since by the foregoing declarations and Examinations it appeared he had been a Chief Instrument in ye. affair.

This matter was argued on both sides for a considerable Time after which the opinions of each person were Collected as follows.

Mr. Houghton that what houses were sold occasioned by this prosecution of Sashia and Naguloo against Anconah shod. be valued and the value paid by these five Merchants and that the other sum and interest shall be paid.

Mr. Drake that the Five Merchants are only chargeable with the money they have received with interest for the Time and that Ancona has an action against Sashia and Naguloo for as much money as he can recover.

Mr. Hubbard is of opinion that the Five Merchants are to pay the money they have received with interest & all charges and damages to fall upon the Shroffs Sashia and Naguloo.

Mr. Fowke It appears to me that the Five Merchants and Shroffs are all equally Concerned in the damages that Anconah sustained and each to pay a Seventh part and if Sunca Ramah be proved concerned he likewise to be Charged with a proportion of the damage.

Mr. Emmerson that the Five Merchants do pay the money they have received with Interest and that Anconah have an action against Sashia and Naguloo.

Mr. Benyon joins in opinion with Mr. Emmerson.

Mr. Turner that the five Merchants do pay the money they have received with Interest and that the Shroffs be also answerable to Anconah for Further damages and if it Shall be proved that Sunca Ramah was the adviser or Contriver of the Shroff's suborning evidence to swear the matter upon Anconah that he also be Answerable to Anconah for damages.

The President agrees that the Five Merchants do pay the money wch. they have received out of the sale of Anconas Effects with the interest and that if it shall appear that Sunca Ramah or any other have been instrumental in the injustice done Anconah he or they shall make good his damages.

and determined in favour of Ancona.

The majority of the board being of this opinion, it was accordingly Ordered that the Five Merchants shod. pay all they had received with the Interest from the Time they recd. it and that a State of Anconah's case shod. be fairly drawn out with his Vouchers for what he shod. charge on Sunca Rama or any other for the further consideration of the board.

FROM APPANA VENCATYPUITY TO GODA ANCONAH dated 21st. October.

I Received your Letter and observe the Contents thereof. I have delivered all the Letters you sent me into Kistna's hands which he has delivered to the persons for whom they were directed. The Governour's letter particularly Kistna deliverd into his Hon^{rs}. own hands with which the Governour was well pleased & Told Kistna that he would write Two Letters one to Tyre Cawn and another to Velle Mahomud all w^{ch}. Kistna told me.

In relation to this affair Sunca Vencatachelum & Kistna have an understanding together and Sunca Vencatachelum has offered the Govern^{r}. large sums of money on y^{s}. occasion but Kistna after much entreaty has prevailed with his Honour at last to accept of Thirteen Fanams Pag^{s}. 1300, of which he the s^{d}. Kistna acquainted me. Likewise one Vencataputty a Peon told me the Same thing and desired me to write it you and procure your answer. Kistna desired likewise the same thing of me. I Therefore desire you will write a Letter to Kistna with all Speed. The Governour has likewise promised Kistna that he will Send the Cowle i.e. a Pardon for all that you must write in plain Terms to Kistna. On that condition he is ready to Settle yo^{r}. affairs.

WE UNDERSUBSCRIBERS Merchants of Madrass do certify that in M^{r}. Collet's government the measuring-duty-Farmer Kistna having made Complaint to the then Govern^{r}. and to M^{r}. Rich^{d}. Horden at that time Mayor of this city that the five follow^{g}. Merchants Zalldou Papaya, Canawarum Ramanaya, Pollawarum Yellapa, Batzu Collastree and Tirtawasi had defrauded him of the said duty and were guilty of a breach of the Company's orders by Selling Grain by a smaller measure than allowed they were upon his complaint comitted to prison in order to be punished as they deserved, that Soon after we were informed that the s^{d}. Offenders having made Application by Certain persons to Govern^{r}. Collett and M^{r}. Horden they were released. That in M^{r}. Elwicks governm^{t}. while Goda Anconah was in the Country for the recovery of his health the abovementioned Five Merchants chargd Shroffs Shashia and Naguloo with having received of them Pag^{s}. 3000 and they the s^{d}. Shroffs to clear themselves charged Ancona with having received said sum upon which judgment was given against him by the Mayor's court in his absence & his houses, gardens, paddy &c^{t}. were sold and the produce paid to y^{e}. said five Merchants all which we declare upon our certain knowledge to have been obtained by procuring of false witness against the s^{d}. Ancona who was no ways concerned in the affair and therefore was a very Great injustice. We further declare and certify that having made enquiry of the s^{d}. Shashia and Naguloo what they knew in relation to the paying the foresaid sum of Pag^{s}. 3000 they answered that y^{e}. abovenam^{d}. five Merchants accompanied by Peons brought it to them to be Shroffed w^{ch}. being done that they immediately carryd it away & that they the s^{d}. shroffs did not pay it to Anconah that we Likewise have enquired of the forementioned Five Merchants relating to the payment of that money to Ancona and they all affirm they did not pay it to him, that having made the same enquiry of the Peons who attended them while they Collected the money they answered that the foresaid five Merchants and they carried it to the Shroffs to be Shroffed and afterwards from thence to Govern^{r}. Collett & M^{r}. Horden to whom it was paid. By all w^{ch}. it appears to us that great injustice has been done Ancona in that affair.

Humbly Sheweth

That in the Late Govern^{r}. Elwick's Time there was a paper put up at the seagate that if any body either in Govern^{r}. Collets and Govern^{r}. Committed to the custody of the Marshall.

24. Petition read 1st. Decr. petition read Second Time.

ORDERED that an answer be given in next court day.

1721/22 Janry. 23d. Mr. Horden refuses making any answer but Tells the Bench they may proceed as they please upon wch. they proceed to proof.

PONCALA KISTNA declares on oath that in Governr. Collett's Time he rented the measuring duty when the plaintiffs measured grain out of a Lesser measure than usual upon wch. (as he had a duty thereon) he Complain'd of the sd. plaintiffs to Mr. Horden then Mayor who thereupon Imprisoned them he believes fourteen or twenty days, that after the Plaintiffs were released again he heard them Talk of having paid a Large sum for their Liberty, that he was at Mr. Horden's house with these Plaintiffs when the matter was made up and heard Ancona Mr. Horden's dubashe ask and demand of Each man 500 pags. for his Master but he does not Know what mony was paid but has heard & verily believes they paid about 3000 pagodas.

RAMDOSS declares on oath that he knows the Plaintiffs were imprisoned and believes they Continued there seven or eight days in Governr. Collett's time, that one day Ancona Mr. Horden's Dubashe sent for him to Triplicane, that when he arrived he found the sd. Ancona's Conicoply had drawn out severl. obligacons upon Cajans for sums of money due from the plaintiffs to Poncala Kistna. He adds that he knows these sums were for their releasement & saw them Sign the said Obligacons wch. to the best of his remembrance were abot. 6 or 700 pagodas each but further sayeth not.

SASHIA Mr. Horden's Conicoply says he knows the plaintiffs were imprisoned and has heard that they made up a Sum of 2 or 3000 pagodas and paid it for their releasement.

SASHIA being asked if he never heard Ancona Talk of this affair makes answer that Ancona and the Plaintiffs used to Talk together at Ancona's house but that Ancona never Told him what they said that one day Jangomayah a peon attending upon Mr. Horden and Ancona and ye. Plaintiffs brought to his house some money to be Shroffed wch. he shroffd but Knows not for what purpose thô he has heard it was to be paid for the releasement of the Plaintiffs.

THE BENCH think it proper to swear SASHIA to answer to the Truth of what Questions shall be asked him relating to this affair and declare what he Knows of the matter.

SASHIA is accordingly Sworn and declares that ye. plaintiffs signed four bonds in Triplicane he thinks for Pags. 3500 which were wrote in Poncala Kistna's name and given to Ancona, that Jangomayah aforenamed was the person that used to go to and frô to collect this money and as often as he received any, deposited it in Naguloo's shop he says particularly that Jellda Mella's money was not so soon received as the rest for to compleat the whole sum he lent the sd. Jellda Mella 2 or 300 pagodas on some grain, that when all the money was gathered together in Naguloo's and his house it was fetchd away by the sd. Jangomayah and the Petitioners who told him as likewise did Ancona, that 100 of it was for Juggoo Governr. Collets dubashe, 50 for Ancona, 2000 for Governr. Collett and 1000 for Mr. Horden. He adds that he asked Jangomayah where he was going to carry ye. money and he made answer to Ancona's house.

DEFERRED.

1721/22 Janry. 26th. CONDIPILLA GRUAPA being Sworn declares that he knows Mr. Horden's peon took the plaintiffs out of their houses & Imprisoned them, that they Continued in prison 15 or 20 days, that the day they were cleared he went with them to Ancona's garden at Triplicane when Ancona made 4 bills in Poncala Kistna's name for he thinks 3000 pagodas wch. the Plaintiffs signed.

RAMADOS declares on oath that he remembers to have sign'd as witness to one of the bonds and believes he Likewise sign'd as Such to the other Three.

——*FORT ST. GEORGE, JULY 1725*——

NAGULOO being Sworn, declares that as the above s^{d}. 3000 pagodas was collected it was brought to his & Sashia's shop but then he paid that Sum to Jangomayah & the Plaintiffs who at that same time told him M^{r}. Horden had made them pay that Sum wrongfully.

JANGOMAYAH a Choultry Talliar, being Sworn declares that the Plaintiffs were imprisoned by M^{r}. Horden's order in Govern^{r}. Collet's Time and Kept in y^{e}. Choultry, that they were there 3 days without having any Victuals being close locked up, that then Sashia came to him and desired him to let the prisoners go to a house hard by for a Little while to eat w^{ch}. he did but as soon as M^{r}. Horden heard thereof he sent for all the Talliars and checked 'em very Severely Particularly himself and at that Time threatened Sashia with punishment if he ever Troubled himself with his prisoners again and sent Jangomayah to watch the plaintiffs where they remained 20 or 21 days afterwards and then they were released by M^{r}. Horden's order.

SASHIA Confirms what the deponent Says.

UPON THE WHOLE the Bench are Satisfied that y^{e}. Plaintiffs were imprisoned by M^{r}. Horden but there is no proof made of the money being paid to him they therefore Clear him of this action and as Sashia & Naguloo acknowledge to have received the 3000 pagodas at their shop, Give judgment that they pay the Plaintiffs that Sum with cost of Suit.

Anconah Representing to the Board that Sunca Rama had made up accounts with, and given him Satisfaction with respect to the charge before brought against him, that matter was dropped; but Sunca Rama was called in, and after being checked for having engaged in affairs of that nature, was told that the Board were inclin'd to Take no further notice of it, in consideration of his promises of taking extraordinary Care in the Cloth he is to provide and of his having in the last parcells received giv'n some proof of his sincerity.

Ancona represents that he had rece^d^. satisfaction from Sunca Rama whereupon that matter is dropped and the Latter called in & checkd for engaging in such matters.

The new indentures were then produced to be signed by the Board, to which M^r^. Benyon objected that he did not design to stay five years in India, as he must oblige himself to do, if he shoud sign these indentures; but if he were Secure that clause wond not be insisted on, he wo^d^. sign them; he was accordingly assured thereof, and then the whole Board signed them, agreeable to the orders of our Honble Masters.

M^r^. The Board then took into consideration the dispatch of ship Fordwich for Bengal, which ship was at first designed to carry a large quantity of Bales to the Bay; but it was AGREED that she being a very Rich ship we cou'd not venture to keep her later than the fifth of next month, and therefore RESOLVED that she be dispatched that day with what bales we have ready here, wch. we expect will be upwards of two hundred.

The President represents to the Board the inconvenience of wooden buildings at the West Coast wch. it is agreed to advise to England.

The President then observed to the Board that the use of wooden Buildings at the West coast had been the cause of lavishing a vast part of the Compas. estate both on accot. that they will not Last, as also because it had long been a Custom there to exchange their cloth for Timbers &ct. at extravagant rates wch. besides frequently was bad & consequently Required to be Repair'd again. Wherefore he proposed that to prevent ye. many Frauds wch. the wooden buildings had opened a way to, we should desire the Company's permission to direct their next buildgs. at the West coast shod. be Brick, wch. will hardly cost more at first and will last at least Forty Years, whereas the others are continually repairing and of course a constant charge. He added that it was necessary to write this now, because in a year or two we shall be obliged to permit Buildings of some sort or other to be sett about there; wherefore it was agreed to propose this matter to our Honble. Masters, in our letter by the James and Mary, wch. ship was on the 7th. ulto. ordered to be dispatched the 20th. of this month, wch. is now confirmed.

RESOLVED that the Fordwich be dispatched for Bengal on Friday next.

The Presidt. proposes to the Board in order to remedy sevl. Inconveniencys that five ℔ cent be Charged on all goods as they are passed at the Choultry and not to receive the 2½ ℔ Cent custom at ye. seagate as now practised

wch.

is Agreed to and Buzar Cloth only Excepted wch. is purely for the consumption of the poorer people.

The difference of the customs paid at ye. seagate and Choultry having been Found to occasion a very great trouble to the Sea Customer at the exportation of Peice goods as well as to have given many opportunitys to Evil-disposed people to defraud the Company of their customs it was proposed by the President in order to remedy the sd. Inconveniencies to charge Five ℔ Cent at the Choultry and so to receive nothing on exportacon at the seagate by wch. means all goods wou'd be sure to Pay the whole duties. This proposal was agreed to except in the article of Buzzar cloth which is only for the u[se] of the poor people and never exported and it was by [all] agreed not to Load the Poor with any hardship especially as the Chief design of laying the whole duty at ye. Choultry was to prevent Frauds in the exportation of Goods & not to Burthen the inhabitants particularly the poor Sort.

The sd. duty to commence the first day of October next

and

all Cloth that shall be found in town after the last day of Decemr. without the new chop (to be made for this purpose) to be forfeited.

AGREED therefore that the sd. additional duty Shall commence the first of October next & that all cloth now in town shall be brought to the Choultry to pay the additional two and a half ℔ Cent except as beforesaid Buzzar cloth and in order to be the more certain in the collection of this duty that a new stand be made for the Land Customer and that all goods wch. shall be found in Town after the last day of December next without the sd. new chop shall be forfeited & sold & the produce to be divided as usual.

In Obedience to your orders of the 31st. ——FORT ST. GEORGE, SEPTEMBER 1725——

Mr. Pitt then represented to the board that the exception in the orders relating to blue cloth, for wt. exported to Pondicherry and Porto Novo, on which the full duties were still continued, had occasioned the French to make their Investments at Porto Novo instead of Fort St. David & by that means the people concerned in that manufacture were the less Likely to Leave Porto Novo and also the Company Lost the two and half ℔ Cent Land custom on that Quantity of cloth, which otherwise he was assured they wod. have gained.

Mr. Pitt represents the inconveniencys attending the Exception in the order relatg. to blue cloth exported to Pondicherry & Portonovo from Fort St. David, wch.

This matter being considered and it appearing plain that while the Dyers found employment at Porto Novo, they wou'd not come to Fort St. David, that the Company Lost the Land custom on so much cloth as the French woud have dyed in the English Bounds, had it not been for the abovementioned Exception, that besides the said Loss, they would Suffer a further one in the not encreasing the inhabitants at Fort St. David, by which their other Revenues wou'd advance, and likewise that it was apparent it was no injury to the French Trade to prevent their doing their Business in our bounds, while they could do it at Porto Novo, but that on the other hand the Loss was on our side, It was AGREED that we write to Fort St. David, to permit Blue cloth to be exported custom—free to Pondicherry and Porto Novo, as well as to other places.

being Debated it was Agreed that it be taken off.

The abovementioned persons divided the sd. House into sixteen parts $\frac{4}{16}$ of which Sunca Ramah bought, $\frac{4}{16}$ more were sold to Tomby

—*FORT ST. GEORGE, OCTOBER 1725*—

Chitty, $\frac{2}{16}$ more Chittee Cauta Aidapah bought. Neinapa the Choultry Conicoply bought $\frac{2}{16}$, Yaccumbrum Likewise Bought $\frac{2}{16}$ and the other $\frac{2}{16}$ Poncala Kistna bought and after having sold the Bricks and other materials belong^{s}. to the part that was sold the s^{d}. Poncala Kistna let Your Petitioner have the ground for Pag^{s}. 150 as will appear by the Bill of sale.

Your Petitioner being in a Little Time after Taken very ill was obliged to go into the country for his health and his illness encreased to such a degree that he cou'd not return without a great deal of danger. During your Petitioner's absence one Banda Gruapah & Latchmika his wife entered an action against him in the Mayor's Court alledging that the abovementioned House was unjustly sold by Timapah by order of M^{r}. Horden and at y^{e}. Instigation of your Petitioner. It was your Petitioner's misfortune to be then in the country so that he could not make a Defence against the charge exhibited against him. Therefore judgment was given for the sale of your Petitioner's dwelling House, Gardens &c^{t}. towards satisfying his pretended Debt and for the other causes Your Petitioner has had occasion to mention in another Petition out of the produce of which the said Bandah Gruapah Received Pag^{s}. 350.

COURT PROCEEDINGS.

AT A COURT HELD AT THE TOWN HALL ON FRIDAY THE 1ST. DECEMBER 1721 THE WORSP^{LL}. CATESBY OADHAM ESQ^{R}. MAYOR AND ALDERMEN ASSEMBLED.

PETITION OF LATCHMIKA vers RICHARD HORDEN Read setting forth that he had unjustly seized her house and Turned her out of Doors &c^{t}.

M^{R}. HORDEN being present at the Reading of y^{e}. petition denys the contents and says that he has a Bill of sale out of this Court for the s^{d}. House.

ORDERED that he produce the same next Court Day.

PETITION Read Second Time, no bill of sale produced. 1721 DEC^{R}. 5°.

PETITION Read; the Bill of sale signed by Timapa for his Glass House read in w^{ch}. Latchmika's House is not mentioned but it seems as if her ground was included which He had no power to sell the wording of the Length and Breadth of that ground is unintelligible and therefore lay no stress thereto. 8TH.

The Plaintiff produces the following witnesses.

SERRAPA appears and being asked what he knows of y^{e}. affair, answers that Timapa did give the Plaintiff the House she mentions.

JUGGOO declares on oath that the Plaintiff had Lived Several years in the House she mentions.

PONAPA declares on oath that he knows Timapa gave the s^{d}. House to the Plaintiff and that M^{r}. Horden & Ancona Took the same House away but that they Bought only the glass House. He adds that M^{r}. Horden and Timapa being with Govern^{r}. Collett the Govern^{r}. asked Timapa before M^{r}. Horden's face who the aforementioned House Belonged to and that he replied it belong'd to Latchmika.

LATCHMIA declares on oath that he was a servant of Timapa and that he knows Timapa gave Latchmika the aforementioned House and that she Lived there many Years, that on a dispute between the Sister and brother Timapa sold the glass House but not the Plaintiff's, that those that had the Glass House Took that of the Plaintiffs and pulled it down and sold the ground.

——*FORT ST. GEORGE, OCTOBER 1725*——

It appearing that the House was pulled down & the ground sold by Ancona after Mr. Horden sold the Glass House to him tis the opinion of the Bench that Mr. Horden is not answerable for the same but Ancona and therefore clear Mr. Horden of this Suit acquainting the Plaintiff she may Sue Ancona.

15°. LATCHMIKA Enters an action against Goda Ancona for Pagodas one thousand.

PETITION Read. Sufficient proof being already made that the House abovementioned belonged to the Plaintiff and that it was pulled down and sold by Ancona the Court woud proceed to judgment in her Favour but as it is customary to Summon a Defendant before Judgment is given against Him ORDER that Ancona be Summon'd to appear next Court.

1721 DECR. 29TH. The Defendant does not appear thô duly Summoned.

ORDERED that he be Summoned as before.

JANRY. 5. ANCONA being duly Summoned three Times does not appear.

To THE HONBLE JAMES MACRAE ESQ^R^.
PRESIDENT AND GOVERNOUR OF FORT S^T^. GEORGE &C^T^. COUNCILL.

HONBLE SIR &C^T^.

The occasion of my Troubling you at this Time proceeds from the Late order you have thought fitting to make for the removall of all the Banksalls which formerly used to stand between the Town wall and the Seaside among which there used to be one wherein the gunney bags for bringing ashore the grain yearly Imported here were Kept both for the Security of the Company's customs and the conveniency of the Merchants who have been always obliged to make use of the said bags (which hold eight mercalls cash) for landing their grain, by which an exact account of the grain yearly Imported by Sea has always been Taken from the number of bags daily delivered out and the Conicoplies thereby prevented entering into any Combination with the Merchants this being a great Check both on them and the measurers of the grain.

I Presume to lay this before Your Hon^r^. &c^t^. hoping & requesting you will be pleased to Consider of and appoint a proper place for keeping the said Bags in order to prevent any Frauds the Company may otherwise Sustain in that Branch of their customs.

I am with great Submission

HONBLE SIR &C^T^.

To the Honble James Macrae Esqr.
President and Governour of Fort St. George &cr. Council.

Honble Sir & Sirs

The Committee you were pleased to appoint to Enquire into the Baseness of the present Current pagodas & to put a Stop to an abuse which will at last be attended with such dangerous consequences do now Humbly lay before yo. their proceedings and opinion of the most proper remedy effectually to prevent this mischief without giving a Shock to Commerce.

We find upon examining the Shroffs that this has been a growing evil introduced by the corruption of ye. Country Government in Conniving at the circulation of any sort of pagodas provided their profits from those who have the Liberty of Coining them are answerable and as this is so considerable an advantage to them it is not from the Nabob we are to expect any relief. Therefore we thought it most proper to have the opinion of the Merchants in general wt. method we should pursue who on a meeting came to this resolution which we offer to Your Honr. &ct. as what we likewise think Sufficient to answer the design without risquing a Stagnation in the Circulation.

That Five Shops shall be appointed in the most Convenient parts of the Town for the Exchanging of all mony which is necessary for the Currency of the Buzar in each of which must be placed Two Shroffs, a Goldsmith and a Company's peon whose Stations are to be Changed every day with power to cut or deface all such pagodas as are found to be Bad; as to payments of large Sums the Merchants themselves will undoubtedly be cautious for their own Security and Take such care as not to be Imposed upon in what they Receive by employing such Shroffs in whose fidelity they may confide.

——FORT ST. GEORGE, OCTOBER 1725——

Mr. Oadham that the aforesaids might be obliged to Satisfie Your Petitioner for what remained due and that He and they the other partys to this Suit might discharge one another Interchangeably. Here Your Petitionr. begs leave to observe to Yor. Honour &ct. Council is an Authentick award stating the debt to a minute sum after thoroughly and maturely having perusd and Enquired into the proper Vouchers which is a Pregnant proof that they had perused the note Your Petitioner claims from. He has now in his possession said award & Penalty Bond in original and nothing he presumes could then have Obstructed the course of Justice but the death of Mr. Oadham who was at his decease in possession of Yacombrum's note to me, our joint Penalty Bond and the award of the Arbitrators.

Mr. Sitwell being Mayor your Petitioner applied to him for the abovementioned papers who declaring they had never been delivered him, Your Petitionr. thereupon addressed himself to the Chair and Mr. Elwick gave orders that the Executors to the late Mr. Oadham shod. deliver up what Papers Relating to the Mayor's Court shod. be found amongst his Private papers. Your Petitionr. Recd. only the Penalty Bond & award abovesd. but could have no accot of Yacombrum's note for Pags. 280 thô He humbly Conceives there was no occasion of it to prove the debt the award made and given upon Perusing the said bond being a Proof in equity that such a Bond was then extant and 'tis not so much as Pretended that the same was ever Satisfied Since.

The Defendant Chellumbrum having absconded some time the Polligar who was Your Petitioner's Bale for performance of the Penalty Bond having called upon Minto Ball Chittee who was the Defendant's Bale to produce him or be answerable He brought him in a few weeks ago and his said Bale demanding of him to satisfie his debt to Your Petitionr. He prepared a bond for Pags. 485, the present ballance of our accot payable in Four year's time and offered it him sign'd and Executed before Witness wch. sd. witnesses are ready to prove but Your Petitioner rejected the bond and demandd. Immedt. Payment of the debt was refused it. Whereupon He sued Chellumbrum in the Mayor's Court which on Tuesday last yr. 19th. Instt. gave judgment for the Defendant without regard had to the Penalty Bond award and other Evidence of ye. debt abovementioned for the reason that Your Petitionr. had not Yeacombrum's note to produce. Your Petitionr. with submission Apprehends the debt sufficiently proved without said bond upon the Evidence above adduced. Therefore

Begs Leave to Bring his Appeal from the judgment of the Mayor's Court unto Your Honour &ct. Council Humbly Recommending his Case to your Consideration for a decision according to Equity and YOUR PETITIONER as in duty Bound

PETITION of Poncala Kistna Plaintiff ags^{t}. Chellumbrum Defendant Read, praying the assistance of this Court In the Recovery of a Debt of Three hundred Ninety four pagod^{s}. due from the said Defendant.

ORDERED that it be deferred and the Defendant be Summoned to appear next Court day.

——*FORT ST. GEORGE, OCTOBER 1725*——

AT A COURT HELD AT THE TOWN HALL ON TUESDAY THE NINETEENTH INSTANT THE WORSP^{LL}. FRANCIS ROUS ESQ^{R}. MAYOR—MESSIEURS EDWARD CROKE, JOHN POWNEY, JOSEPH HOUGHTON, THOM^{S}. WESTON, RICHARD CARTER AND WILLIAM MONSON ALDERMEN IN COURT ASSEMBLED.

Petition Read Second Time.

The Defendant being present and the said Petition Read to him denies that He was any ways Indebted to the Plaintiff but Confesses that his Father by name Yacombrum had contracted a Debt to the s^{d}. Poncala Kistna but that upon application to M^{r}. Oadham He had prevailed on the several Creditors Sunca Ramah, Olivo and the Plaintiff to forgive the debt in Consideration of the poor Circumstances of his said Father and himself they being very poor and working for their daily maintenance.

Poncala Kistna being called upon to prove his debt produced an Account Current the Ballance of w^{ch}. amounted to Pag^{s}. 485.27.—due from the s^{d}. Chellumbrum which ballance appearing to the Bench to arise from a Bond of 280 pagodas Principal and the Remainder to be Interest on the s^{d}. 280 pagodas He was called upon to produce the Bond to which He Replied He had delivered the Bond to M^{r}. Oadham to Recover the money that sometime ago He acquainted M^{r}. Elwick with this affair who ordered M^{r}. English in whose hands all M^{r}. Oadham's affairs lay to deliver to M^{r}. Hubbard the then Mayor all Cajans and Papers Relating to y^{e}. affair but that the Bond was somehow gone and he did not Know whether M^{r}. Oadham Received the money or not and that he only Received from M^{r}. English the Arbitration Award and the Penalty Bond they entered into about it both These He delivers To the Bench with the Translates of them which are Read which Arbitration award he thinks is a sufficient Proof that there was such a Bond as is demanded of Him thô He now cannot produce it. He further urges that as a proof the Defendant owed him the money about a month ago He drew up a new Bond and offered him but that not Liking the terms of said Bond He Refused and Tore it.

The Defendant in answer to this Repeats what He had before said of the debt being forgiven in Consideration of his and his Father's poverty and says further that M^{r}. Oadham cancelled the bond by Consent of the persons concerned in it to prove which He called M^{r}. English who declard to y^{e}. Bench that He Remembers the dispute to have been ended by M^{r}. Oadham and the Bond Cancelled He believes by the Consent of all parties and that He particularly Remembers Sunca Rama and Olivo Two of them told him they had agreed to the cancelling of this Bond upon condition that Poncala Kistna should agree Likewise.

Sunca Rama himself one of the Parties being in Court was likewise called upon by the Defendant and Confirms M^{r}. Englishes Testimony as to his (Sunca Ramahs) hav^{g}. agreed to the Cancelling this Bond.

The Defendant in answer to what the Plaintiff says about his having signed a new Bond declares that He was kept in close prison Ten days by the Peddi Naigue and that He was advised by the said Peddi Naigue to give a New Bond as the only means to get out of Prison.

The Peddi Naigue being present was asked about y^{e}. affair and gave the following account.

That upon Complaint of the s^{d}. Poncala Kistna to M^{r}. Sitwell the Defendant was brought to him by the s^{d}. Kistna and a peon of M^{r}. Sitwells who was then Mayor to be Taken into custody that a few days afterward the s^{d}. Chellumbrum made his escape and went to Pullicaatt that Hearing he was there he sent Peons and brought him in and that there being apprehensive of the said Chellumbrum's making a Second Escape He had confined him more closely than before. The Peddi Naigue adds that he did advise him to draw a new Bond w^{ch}. he did but that Kistna refused it saying he would have his money.

The Bench then proceeded to consider what had been said on both sides and were unanimous in their opinion that the Plaintiff had by no means proved his

——FORT ST. GEORGE, OCTOBER 1725——

demand, that indeed the Defendant did confess there had been such a bond but at the same time affirms that it was cancelled by the consent of the Creditors. It further appeared plain to the Bench that Mr. Oadham had made application to Sunca Rama and Olivo to forgive the debt and had gained their consents before he cancelled the said bond and it is very Probable that he had done the same by Poncala Kistna both because he wou'd scarce have ventured to have done such a thing without and also because the Consents of Sunca Rama and Olivo were given upon Condition that he gained the consent of Poncala Kistna wherefore the Bench give Judgment in favour of the Defendant and order the Plff. to pay cost of suit.

The Gentlemen of ye. Council who were at the Board when the Thousand Candies of Pepper were bought wch. are Complained of by our Honble Masters, deliver a Representation to the board, wherein they give their reasons for buying that parcel, and why they should not be answerable for the difference of Eighteen and Twenty two pagods. ℔ Candy which Representation is entered at the end of this consultation. The Gent. concerned in the Pepper affair deliver in a Representacon upon it,

The Company's orders about paying the beforementioned difference being read, it was Found that we were Positively enjoined to collect the money, but those Gentlemen appearing to have made the purchase purely with an eye to the Company's Interest, what Little of that Pepper was not sent home having been sold for profit, & the price for many years having been at or over Twenty two pagods. ℔ Candy so that no private advantage could have induced them to do it, the Board were Inclinable to find out an Expedient to satisfie the Honble Company, and at the same time to be as easy as possible with the Gentlemen Concerned, accordingly It was proposed and the Question put whether the Board might not defer the Putting this order in execution, till it had been once more Represented to Our Honble Masters, if the several persons Concerned wod. give Bonds to be Accountable for their proportions of the overprice, if the Company shod. continue to insist upon it : which Question was unanimously Resolved in the affirmative, and the Secretary was directed to get Bonds drawn out accordingly. wch. being debated, once more to Remonstrate that matter to ye. The President and Mr. Pitt's representacon about Mr Wendey,

The President and Mr. Pitt Representing to the Board that they with the Revd. Mr. Wendey is called and refuses to refer any thing to Arbitracon.

Mr. Wendey accordingly Appearing The President repeated the offer of an arbitration of either one or two persons on each side, and they jointly to chuse an Umpire in case of their differing in opinion, which Mr. Wendey again refused; but Told the Board He was willing to submit the accounts to the perusal of any one, but that as for the article of Commission, he would not put it in dispute. However He afterwards proposed an Arbitration of Three Persons on each side, which being Likely to occasion an infinite deal of trouble from the difficulty of Getting so many persons together who had business of their own to mind, He was asked whether he did really design to submit to an Arbitration or not, which he answered in the Negative, and then withdrew.

The President & Mr. Pitt therefore desire the Board to certifie these proceedings & to give declarations of the customs of ys. place in the Article of Commission.

The President & Mr. Pitt then desired the Board to certifie under their Hands that they had made this offer to Mr. Wendey, and were refused, as also what had formerly passed in Consultation about such affairs, and to give declarations of the customs of this place in the Like cases, that so when this matter shall be adjudged in England, all the Light that can be, may be given to it wch. were readily complied with.

To the Honble James Macrae Esqr.
President & Governour &cr. Council of Fort St. George.

Honble Sir &cr.

It is a very great surprise and concern to us to find our Honble Masters in their Letter of the 11th. November last do with so much resentment declare they Expect that the difference between eighteen & Twenty two pagodas the candy on a thousand

—*FORT ST. GEORGE, NOVEMBER 1725*—

candies of Round Pepper should be paid them by those of the Council who agreed to y^e^. purchase thereof, an expectation that more sensibly affects us by so much as we rather hoped and Expected to be commended for it as knowing our design was for their Interest and perhaps they have expressed themselves with more Severity upon the supposition the purchase was made directly contrary to their positive orders. We Confess if it really was so we shou'd have much less to say for ourselves than we think we may with reason do now for if we make it plain that our design was for their advantage in which however we have been mistaken in the consequence Yet that it was not then contrary to any order that forbid us we say if we make this appear we doubt not from their Justice and Equity and your Hon^rs^. &c^t^. Favourable Representation to them they will be induced to entertain very Contrary Thoughts of us and recede from an expectation that is attended with so much severity. This difference is not small it amounts to Four thousand pagodas and therefore we hope Your Hon^r^. &c^t^. will afford us your Patience till we have Set this matter in a full and true Light.

Some of us who were of Council with President Hastings do well remember He proposed about Twelve mo^s^. before the purchase of this thousand candys that it wou'd be for the Company's advantage to purchase such a Quantity if it could be Bought not exceeding Twenty two pagodas a Candy & the reasons he gave for it were that Pepper at that price & at Half-Freight woud come much cheaper from hence than any they could have from the Malabar coast and there was then a notion among the Gentlemen of Council that Twenty Two Pagodas was the price we were Limited to by the Company however Pepper being all that year upwards of Twenty Three nothing further was said or done in it then but being offered a Quantity next year at Twenty two pagodas the Candy the same reasons had weight with us to accept thereof & we doubt not when your Hon^r^. &c^t^. considers the price that Pepper has been at for these Eight years past you will be persuaded no private gain could be considerable enough to induce us to forfeit our duty and Honesty by so material a purchase if we had not believed it for the Interest of our Masters on the contrary it can be testified to your Hon^r^. &c^t^. by a Member of the Board who had at the same time this was sending to the Company a Quantity of Pepper by him that the Warehousekeep^r^. Offered him twenty two pagodas the candy for it but the Gentleman refused it alledging he could sell it otherwise for Twenty three pagodas ℔ candy and it will appear by the Warehousekeeper's accounts of that Time that after the ships had taken in all they could, the surplus was sold at 23 ℔ Candy.

Now touching its being contrary to the Company's orders we take the liberty to say notwithstanding our former prepossession we did not precipitately make this purchase but did first look back to see whether there were any orders against it or not. We remembered a Considerable quantity had been purchased by President Harrison and the Council and afterwards a large Quantity by President Collett. We looked over all M^r^. Collet's letters that were sent with that purchased by him and found that the 17°. August 1717 He wrote the Company thus. "Your Hon^rs^. will "observe that we have Bought up as much pepper at Twenty two pagodas ℔ "candy as we thought sufficient for the ships we should dispatch this year and we "could now sell it all for Profit but by the best estimate we can make we apprehend "it to be for your Interest to ship it for England. We think there will be some con-"siderable profit since you pay but half Freight and we apprehend your ships upon "the Malabar coast may probably meet with disappointments in the Quantity they "propose to Take the Dutch having made themselves Masters of Chittoa from whence "the greatest quantity usually comes." Such a paragraph as this to a sett of men who were before of opinion the purchase would be for the Interest of their Masters confirmd therein by the reasons before them in that paragraph & others of the like nature concurring at the same Time & who were only debating with themselves whether it was not contrary to their orders might well incline them to believe it was not Especially when upon Perusing the answer to that Letter and all Letters that passed afterwards we could not find any manner of objection or indeed the least mention of Pepper at all from which we Concluded He had made that purchase in Conformity to some former orders if we could but find them at least that it was

approved of by the Company or otherwise that we sho^{d}. have found in some of their letters some Paragraph or other to forbid the purchase of any more but not finding upon our most curious enquiries any thing like it in all those Letters received in M^{r}. Collet's and M^{r}. Hastings's time We Believed we were acting agreeable to the orders and interest of our Masters at least not contrary to either.

We have already said that we Looked if there were any such orders and why when we found none we Believed there were none. We do indeed find in the Company's Letter dated 25^{o}. Jan^{y}. 1716 they are pleased to say "we note your reason "for buy^{g}. so much Pepper and if it was a disappointment to your new Competitors "it doth in some measure answer while they are at market perhaps the commodity "may keep up but Heretofore the old Company's stated price for Pepper was eighteen "pagodas the Candy on your side and if sometimes it was at a Pagoda or two more "the Captains woud gladly Pay that difference out of their Ship Stock well Knowing "the Half Freight was clear gains to their Owners and We Compute the Bay Price "set at nine to Ten Rupees is not more than eighteen pagodas a Candy the dis-"appointment of having no Bencoolen ship this season made y^{e}. Pepper more "acceptable at this Time and yet so great is the fall of it that what sold Two Years "since from seventeen pence to near eighteen pence a pound will not now yeild "twelve pence."

We shall not detain you with any arguments of our own but leave it with Your Hon^{r}. &c^{t}. and our Honble Masters whether upon a Reasonable interpretation of the same there be any positive order or Prohibition contained therein but we must remark that the paragraph we have Recited of M^{r}. Collet's was in answer to this of the Company's and it is plain He did not Take it as a prohibition certainly if we were to understand it otherwise we ought to have been Told so lest we should as indeed we did esteem their silence as a Tacit approbation of the purchase made by him and look upon that as a Precedent in future.

Further and in answer to what the Company are pleas'd to Say that at the same time we Purchased this Pepper we drew upon them for the amount at nine shillings the pagoda we hope it will not be look'd upon as a further aggravation if we say that the amount of our bills of Exchange was not anything more upon that account because we always did and do now understand that our Cash is to be open to receive all sums that are offered at the Company's stated rate of exchange and therefore as we had by this means a flowing Cash the sending home that Pepper was remitting part of what we drew for into their Hands which could not have been done in another manner as the ships were otherwise fully Loaden with Bales.

To Conclude We hope Your Hon^{r}. &c^{t}. are Persuaded that our views in the purchase of this pepper was to serve the Comp^{a}. that if we had not believed it was for their Interest we would not have consented thereto and further if there was any order to the contrary we were ignorant thereof we say Your Honour &c^{t}. being Persuaded of this We hope and desire you will cease any further proceedings upon this affair till the Company's further Pleasure shall be known.

We are

Petition of Appeal from a judgment in the Mayor's Court in favour of Goda Ancona delivered in by Mrs. Cornelia Horden which is Read and Entered Hereafter.

[Peti]tion of Appeal from [Mrs.] Cornelia Horden read.

The Secretary then acquainted the Board that when the sd. petition was lodged with Him He sent to the Register for the proceedings of Court but instead thereof Receiv'd a Paper which He produced and Read to the Board and is found to be a Representation from the Mayor and Aldermen of Contempt Offered to the Court by Mrs. Horden, Mr. Drake & Mr. Croke. The said paper is entered after this Consultation.

[The] Secry produces a papr. found to be a representacon from the Mayor & Aldermen of Contempt offered to the Court by sd. Mrs. Horden, Mr. Drake & Mr. Croke.

——*FORT ST. GEORGE, DECEMBER 1725*——

Proceedings thereupon.

After the Reading this paper Mr. Drake assured the Board in answer to what related to him that He was not conscious of having offered any Contempt to the Bench and that He had never Refused swearing but only deferred it that He was Ready to give his oath and would do it if the Appeal now lodgd by Mrs. Horden was dismissed. Whereupon the President very warmly Represented to the Board Mr. Drake's Contumacy in this affair and his contempt of the Authority of the Court and by Consequence of the Company from whom it proceeded. He likewise reminded them of his conduct upon Several occasions at the Board particularly in the case of paying sixteen ℔ Cẽnt Salvage on the Silver by the Nightingale and the affair of the thousand Candies of Pepper in both which they cannot but Remember He used his utmost endeavours to render the Company's positive orders Ineffectual and Added that on almost all other occasions He had endeavoured to lessen the Company's Authority as much as lay in his power for which Reasons the President demanded that Mr. Drake should withdraw and that the Gentlemen of Council shoud consider and give their opinions of Mr. Drakes conduct wch. He insisted on the more that He might Know who were for supporting the Company's Honour and Authority & that a true Representation of this Affair might be transmitted home to them; which being a matter of very great Consequence the Board desired a further Time to consider of it and to inform themselves more fully of the Behaviour of Mr. Drake in the Mayor's Court.

The Appeal rejected by consent of all ye. Board but Mr. Drake who dissents to it.

The Appeal from Mrs. Horden having as appears from the Representation of the Mayor and Aldermen been Lodged out of time and the words of the Charter positively ordering that no Appeal shall be made more than three days after judgment given It was Rejected by the agreemt. of all the Board except Mr. Drake (who Dissented for the Reasons mention'd in the Petition) for its being Lodged so late which are that He told Mrs. Horden the judgment [of] Court was that the moneys which should be Recovered were to be deposited in the Court-Cash till such time [as] they could write Mr. Horden and Receive his answer [to] the demand and also that the Register never served Mr. Horden with the judgment of the Court.

Mr. Drake had before Said that He was ready to Testifie upon oath that this was the judgment of the Bench though it be otherwise upon the Register and the Two or three of the Aldermen were Ready to do the same which being Answered that it is otherwise likewise upon the minutes He Replied there were no minutes Taken.

The Humble Petition of Philip Tullie

Sheweth

That Your Petitioner being on his passage from Vizagapatam the Twenty fifth of September at w^{ch}. time his Six months' salary was due to him which He has not Received as also Diet-Allowance for the months of September, October and November, Humbly Requests your Hon^{r}. &c^{t}. will order it to be paid him.

The Petition of Appeal of Cornelia Horden

Humbly Sheweth

That Your Petitioner having had judgment given against her by the Worsp^{ll}. the Mayor's Court in an action of about Seven thousand pagodas laid by Ancona against her Husband, Richard Horden She therefore prays relief from this Hon^{ble}. Board. She would have appealed sooner had not M^{r}. Drake whom she deputed to act for her in this Affair acquainted her that the Court had agreed that what moneys were Recovered from her on this action shoud be deposited in their Cash till M^{r}. Horden had time to advise of this matter from England ; & She further says too that the Register of the Court (whose Business she presumes it was to signifie to her the judgment of the s^{d}. Court) that the Register never did so by which means she was wholly ignorant of the proceedings of the First Court-Day. She further begs leave to add the proposals she has made to the s^{d}. Court to prevent any further progress in this affair until her Husband shall be advised of the same, that she has offered Security for Satisfying the whole action in case it shall hereafter Appear to be a just one, that she has offered to Deposite the whole sum in the Courts Cash if it might be permitted to Remain there till M^{r}. Horden has had time to answer this demand from England, that she has offered to pay even Ancona the money in case Ancona would give Security for the Refunding the same if Hereafter it should appear not to be due to him. These are the Offers she has made which being all Refused and her Husband being absent and she herself wholly ignorant of this affair She prays therefore the consideration of this Honble Board

and as in Duty Bound

She shall ever Pray.

To the Honble James Macrae Esq^{r}.
President and Governour of Fort S^{t}. George &c^{r}. Councill.

Hon^{ble}. Sir & Sirs

It is with the greatest uneasiness Imaginable we find ourselves necessitated to apply to Your Hon^{r}. &c^{t}. in a case of no less Consequence than the very Being of our Court and the Support of our Authority without which it will be in vain for [us] Henceforward to enter upon the Examination of any Cause or pretend to award judgment which will we doubt not Plead our ex[cuse] in the trouble we now give Your Honour &c^{t}.

——FORT ST. GEORGE, DECEMBER 1725——

You all doubtless have Heard of the action entered agai[nst] the Attorney of M^r^. Richard Horden by Goda Ancona for debts to him on bond and otherwise. We examined his demands, [find] them perfectly just and accordingly granted execution but [when] We Summoned the several persons on whom our Warrants [and] Attachments had been served We found them fully Determined to give no account and accordingly M^rs^. Horden, M^r^. Drake, M^r^. [Croke], M^r^. Medeiros and M^r^. Samuel Court having been frequently [before] us, have evaded giving oath when demanded or to render any [answer] only Constantly denying that they had any effects or moneys in [their] Hands belonging to M^r^. Horden.

The quality of the persons has for a Considerable Time [atoned] us to defer coming to any Resolutions Hoping at last they would be Convinced of the reasonableness of what Required of them and have Complied therewith but finding that our indulgence met with Contrary effects and had only exposed us to greater [con]tempt We determined to fix a time for finishing this affair accordingly appointed this day when all being duly Summoned appeared except M^r^. Medeiros who having excused himself on acco^t^. of this being Christmas-day according to the Portuguez and that therefore He could not possibly attend, we admitted [his] excuse. M^r^. Court attended and took the oath required but M^rs^. Horden Refused thô several Times told the Bench insisted oath and added that she appealed to the Governour and Councill. M^r^. Drake was likewise told He must swear but Refused to give positive answer till the Appeal of M^rs^. Horden was decided & [as] He did not see any necessity for his swearing M^r^. Croke returned much the same answer and this they did notwithstanding [they] were told from the Bench and the Charter was produced to prove the Time was elapsed.

We should have proceeded in a more Rigorous manner had it not been that We Considered M^rs^. Horden was a woman & who had Born a very Considerable Rank in the place, that M^r^. [Drake] is at this Time a Member of the Council and M^r^. Croke very far advanced in the Honble Company's service but however Tender were to them on this account we could not permit our Authority be trampled on and therefore humbly apply to Your Hon^r^. &c^t^. [for] Redress.

——FORT ST. GEORGE, DECEMBER 1725——

To the Hon^ble. James Macrae Esq^r.
President and Gov^r. of Fort S^t. George &c^t. Council.

The Petition of the Inhabitance of Egmore, Pershawauk & Tandore Humbly Sheweth

Whereas your pet^rs. haveing Taken y^e. Cowl of y^e. above named Villages for y^e. Space of Ten years and have for y^e. first three years paid their Rent punctually according to their Cowl, but this last year there being a great famine and the feilds all parched up for want of Rain, and our Cattel dieing for want of food, and your pet^rs. almost famish'd with hunger, Now your Pet^rs. being pres'd for y^e. payment of their last year Rent which they are not able to perform, Therefore your pet^rs. most humbly request your Hon^r. &c^t. Council will be pleased to grant them y^e. allowance that has bin granted formerly to y^e. Renters of y^e. Said Villages in y^e. like [case], As in y^e. time of Gov^r. Harrison and Gov^r. Collett there was four years of Famine, and y^e. Said Villages Rented by Calloway Chitty who paid no more than y^e. produce of y^e. Villages dureing y^e. years of Famine.

Therefore your poore pet^rs. most humbly Request your Hon^r. &c^t. Council will be pleased to grant them this favour; and they as in duty bound shall

Ever pray.

To the Hon^ble. James Macora [*sic*] Esq^r.
President and Gov^r. of Fort S^t. George &c^t. Council.

The petition of Daveroy, Renter of y^e. paddy Feilds and Salt Pans Humbly Sheweth

Whereas the Tank near Padre Thomas Garden has belonged to y^e. Hon^ble. Company for above these fifty years, and a piece of Ground belonging to y^e. Gentue pagoda which Padre Thomas took in Exchange for another, which Dispute Gov^r. Hastings order'd to be decided by M^r. Fowke and M^r. Hugoney who know the truth of this Matter, Now the Padre has taken away from y^e. Tank one of y^e. places for drawing of water which always had two or three for y^e. use of y^e. Company paddy fields, and has removed his Fence from his own Ground to y^e. Companys; upon which your pet^r. sent his Servant to y^e. Padre to Enquire why he had removed his Hedge to y^e. Companys Ground; for which he struck y^e. Servant. As your Hon^r. &c. Council have given orders to your pet^r. to take care of y^e. Companys Ground therefore he thought it his duty to lay this matter before your Hon^r. &c., and that the paddy fields cheifly depend on this said Tank for their Water. Therefore your pet^r. humbly Request your Hon^r. &c^t. Council will be pleased to Examin this matter and he as in duty bound shall

Ever pray.

To the Hon^ble. James Macrae Esq^r.
President & Govern^r. of Fort S^t. George &c^t. Council.

The humble Petition of the Right & Left hand Casts in behalf of themselves & all the Inhabitants of the City of Madrass.

The Honble Company having appoint^d. a Govern^r. & a Mayor's Court and Choultry Justices for the Regulation of the Affairs of this place the Method of Justice formerly used that any Debt not exceed^g. P. 100 was decided by the Justices of the Choultry which saved Charges & was a great help to Poor People to Recover their Debts the Rich generally apply'd themselves to the Mayor's Court. It was also the Custom here that when any differences happend between Considerable Merch^ts. the Injur'd person Complaind thereof to y^e. Gov^r. who endeavourd them to a Reconciliation, otherwise the same was decided in Consultation. When any Confusion happend by Old Acc[ount] or otherwise among the Black Merchants, It was Customary for them to terminate the Affair by Arbitration And a Penalty Bond allow'd of to Stand to the Award. This was done among their Casts without troubling the Justices, which if either Party rejected the Award, The Justices obligd him to Pay the

——FORT ST. GEORGE, DECEMBER 1725——

Penalty. When differences happend in any of y^e^. Casts, as Quarrelling or Fighting &c^a^. the Heads of the Casts accomodated Matters without any further trouble, but in Case they Refusd to make it up before their Heads, Complaint was made to the Gov^r^. or Some of the Justices & the person found Guilty was punishd Accordingly. When any of our Servants or Slaves offend^g^. in Small Matters we usually Punishd them with a Slight whipping ; Otherwise when Guilty of any Considerable Offences they were Carry'd before the Justices and Chastis'd as they Should determine. When any Persons Comitted Crimes punishable with Death, Burning in the Hand or Cutting off their Ears Such Criminals were bound over to the Justices. In the manner above mention'd we have had Justice administerd to us ever since the place was a Settlem^t^. especially these 5 years past that y^r^. Hon^r^. has had [the] Governm^t^. of this place. We have Lived in perfect Tranquility without any Let or Hindrances in our Affairs, Extortions or any thing that might hinder our Several Employments, And as y^r^. Hon^r^. has Protected us hitherto We now for ourselves as well as in behalf of all the Inhabitants of this place Humbly pray your Hon^r^. &c^a^. would take our present Case into Consideration.

This last Quarter Sessions there were several Gentlemen appointed to be of the Grand Jury who have greatly Molested us by several Impositions never offerd before. Some of them came to our Houses & Demanded of Us to Answer such questions as they should enquire which very much disturb'd our Quiet & Such methods being Foreign makes us very uneasie, which we beg may be redressd. We have likewise been Sumond to appear in Court by y^e^. Grand Jury who Imposed upon us to take Oath without acquainting Us with the Business And that we should Answer to their Questions without Limitation, which are Greivances So great that we humbly beseech your Hon^r^. &c^a^. will put a stop to such Proceedings which may be Fatal to us all, for the taking of Oaths is of Such discredit to our Casts, & the Mean opinion they have of the Person afterwards must Prove their Ruin. As there is a great many Small Debts Contracted among the poor people from One hund^d^. to one pagoda, which by y^e^. present Constitution must be Recover'd at Court the Charges whereof becomes so considerable before it is determind that a very Small, if any Ballance is Left to be Receivd by the Owner, Therefore we humbly beg your Hon^r^. &c^a^. would Order the recovery of Such Small Sums, as formerly, that they may be determind by Arbitration which will Save the great Charge Imposed on Us by the Court Attorneys who by delaying Causes often ruin both Parties. We shall Conclude begging leave to Intimate to your Hon^r^. &c^a^. that punishing Theft with Death has never been practisd here before, which we intreat may be Alter'd in future that they may have Punishments inflicted on them as formerly. And as your Hon^r^. has been a Father to us in preserving our Liberties we humbly beg that Such Regulations may be made as near the Methods used formerly, For we cannot propose to Live Quietly and Safe in this place to be thus Harrass'd by a Grand Jury.

We wish Your Hon^r^. &c^a^. Long Life and Prosperity.
